Contemporary Terrorism Studies Diego Muro,Tim Wilson,2022 When do individuals radicalise Can terrorism be rational How can we define terrorism What is the role of women in terrorism Can states be terrorist World leading experts answer these questions in Contemporary Terrorism Studies the first textbook to provide a multi disciplinary methodologically plural and richly diverse introduction to terrorism studies

Contemporary Terrorism Studies covers the main approaches in terrorism studies and is structured into three comprehensive sections. The first on The State of Terrorism Studies maps the development and historical context of the discipline and looks to the future of terrorism studies. Part two on Issues and Debates in Terrorism Studies examines key contentious questions and debates such as the role of women, technology and the media in terrorism. The final part, part three on Countering Terrorism, focuses specifically on counterterrorism, its instruments, foreign policy, legal frameworks and organisations. Overall, the text will engage students and establish a confident understanding of the subject. The textbook has been developed with pedagogical features to help enhance student learning. Each chapter contains case studies to highlight real world examples of political violence, questions for reflection to encourage critical thinking and suggestions for further reading which provide useful sources for further reading, essays and exam preparation. Furthermore, a consistent, accessible tone and jargon-free writing style makes Contemporary Terrorism Studies the clearest guide to understanding terrorism. Digital formats and resources: Contemporary Terrorism Studies is available for students and institutions to purchase in a variety of formats and is supported by online resources. The e-book offers a mobile experience and convenient access along with hyperlinks to question pointers and a library of web links helping you to broaden your knowledge and understanding of terrorism studies. www.oxfordtextbooks.co.uk/ebooks. Student resources: additional case studies, guidance on accessing databases, pointers for tackling the questions for reflection and suggested web links organised by chapter are available online. Lecturer resources: customisable PowerPoint slides to adapt and use in teaching.
