Emotional Intelligence For Dummies Steven J. Stein, 2009-07-13 Straightforward guide to taking control of your emotions Being aware of and in control of your emotions is one of the keys to success in life both professionally and personally Emotional Intelligence For Dummies will show you how to take control of your emotions rather than letting your emotions control you Discover how developing your emotional intelligence can further your relationships with others in the workplace and at home Emotional awareness is also a critical skill for career success and Dr Stein provides practical exercises for developing this skill and achieving your professional and personal goals He also provides valuable insights into how emotional intelligence can be applied to raising children and teenagers and realizing personal happiness Full of lively anecdotes and practical advice Emotional Intelligence For Dummies is the ideal book for anyone who wants to get smart about their feelings and reach the next level at work and at home Manage your emotions identify your feelings determine what beliefs cause negative emotions and stop self destructive behaviors Discover the power of empathy read other people's emotions through facial cues and body language and show them you understand their feelings Thrive at work find a job that's right for you overcome hassles and fears and develop your leadership skills Build and sustain meaningful relationships discover how to take your partner's emotional temperature and manage emotions to grow closer Raise an emotionally intelligent child keep your cool with your child coax shy children out of their shells and get your child to be less aggressive and defiant

Emotional Intelligence 2.0 Daniel Focus, 2019-11-11 If you're thinking to learn to understand your feelings and you want to improve your personal relationships the best solution for you is to start an inner journey to find your Emotional Intelligence That means you will be able to reach a balance between mind and body getting acquainted with your own feelings and juxtaposing them with other people's feelings Goleman says that some characteristics of emotional competence are essential in order to live a full and emotionally balanced life What will we be able to do with a high emotional intelligence If we ever found a way to increase it would we be the same then Now imagine you have taken a group of children at the park One of them starts crying because the others don't want to play with him What do you do You stay out of it you let the children handle the question themselves You talk to him trying to help him understand what to do You try to calm him down gently You try to distract the crying child with other possible toys or games In which one of these four people do you reflect yourself Only you know it it's your little secret I'm sure that after you realize how to take advantage of the main Emotional Intelligence technique for achieving your goals your answer to the questions above will never be the same Why Because you've discovered you've understood you've become a better person You will not be a better person to me of course Neither to the others You will be a better person to yourself and this is all that matters So that you can have better social and familiar relationships being able to grow more valuable relationships at work and having more possibilities to understand yourself too All this is called MAJOR PSYCHOLOGICAL WELL BEING Thanks to this book You'll get acquainted with the 5

basic principles that rule the emotional intelligence You ll be able to control your emotions exploiting them to reach success at workplace You ll be able to command the main technique to use in order to change your mind and increase your emotional intelligence You will also get a plan of action to use immediately after the reading Why do many people choose to study this very popular topic Because Emotional Intelligence is more important than your technical abilities to reach professional growth Because thanks to this people will listen to you and understand you better Last but not least because the lack of emotional intelligence makes us do terrible mistakes which can jeopardize our professional career Don t wait and start studying now all these simple steps to become a better person Remember that at the end of the book you will find a plan with all the tools that can help you practicing everything you ve learned before Trust me it s not that difficult Scroll to the top of the page and select the BUY NOW Button
