EES Memo ,1949 **Ashton-Tate Quarterly** ,1986 *24/7 Politics* Kathryn Cramer Brownell,2025-11-04 How cable television upended American political life in the pursuit of profits and influence As television began to overtake the political landscape in the 1960s network broadcast companies bolstered by powerful lobbying interests dominated screens across the nation Yet over the next three decades the expansion of a different technology cable changed all of this 24 7 Politics tells the story of how the cable industry worked with political leaders to create an entirely new approach to television one that tethered politics to profits and divided and distracted Americans by feeding their appetite for entertainment frequently at the expense of fostering responsible citizenship In this timely and provocative book Kathryn Cramer Brownell argues that cable television itself is not to blame for today s rampant polarization and scandal politics the intentional restructuring of television as a political institution is She describes how cable innovations from C SPAN coverage of congressional debates in the 1980s to MTV s foray into presidential politics in the 1990s took on network broadcasting using market forces giving rise to a more decentralized media world Brownell shows how cable became an unstoppable medium for political communication that prioritized cult followings and loyalty to individual brands fundamentally reshaped party politics and in the process sowed the seeds of democratic upheaval 24 7 Politics reveals how cable TV created new possibilities for antiestablishment voices and opened a pathway to political prominence for seemingly unlikely figures like Donald Trump by playing to narrow audiences and cultivating division instead of common ground *The American Stationer* ,1888 *Typewriter Trade Journal and the Office System* ,1925 **The army list** ,1847 **United States Code** United States,1995 *Federal Register* ,1966-06 **The Budget of the United States Government** United States.
