Helen M. Woolnough, Sandra L. Fielden, 2016-11-22 Mentoring in Nursing and Healthcare Supporting career and personal development is an innovative look into mentoring within nursing and its implications for career success It provides an up to date review of the current research and literature within mentoring in nursing and healthcare drawing together the distinctive challenges facing nurses and their career development It proposes new directions and practical ways forward for the future development of formal mentoring programmes in nursing Offering fresh insight into mentoring principles and how these can be used beyond pre registration nurse education to support personal career development This is an essential book for all those commencing continuing or returning to a nursing career Key features Addresses mentoring as a career development tool Focuses on the individual benefits of being a mentee and mentor and how this can aid professional development Both theoretical and practical material is presented Features case studies throughout book Supports nurses to develop their careers It is sector specific but has transferability across disciplines A summary chapter draws together common threads or theoretical perspectives The book concludes with strategies for future research and progress

Difficult Subjects Badia Ahad-Legardy, OiYan A. Poon, 2023-07-03 Difficult Subjects Insights and Strategies for Teaching about Race Sexuality and Gender is a collection of essays from scholars across disciplines institutions and ranks that offers diverse and multi faceted approaches to teaching about subjects that prove both challenging and often uncomfortable for both the professor and the student It encourages college educators to engage in forms of practice that do not pretend that teachers and students are unaffected by world events and incidents that highlight social inequalities Readers will find the collected essays useful for identifying new approaches to taking on the difficult subjects of race gender and sexuality The book will also serve as inspiration for academics who believe that their area of study does not allow for such pedagogical inquiries to also teach in ways that address difficult subjects Contributors to this volume span a range of disciplines from criminal justice to gender studies to organic chemistry and demonstrate the productive possibilities that can emerge in college classrooms when faculty consider identity as constitutive of rather than divorced from their academic disciplines Discussions of race gender and sexuality are always hot button issues in the college classroom whether they emerge in response to a national event or tragedy or constitute the content of the class over a semester long term Even seasoned professors who specialize in these areas find it difficult to talk about identity politics in a room full of students And many professors for whom issues of racial and sexual identity is not a primary concern find it even more challenging to raise these issues with students Offering reflections and practical guidance the book accounts for a range of challenges facing college educators and encourages faculty to teach with courage and conviction especially when it feels as though the world around us is crashing down upon our students and ourselves

AWS Certified AI Practitioner (AIF-C01) Study Guide Tom Taulli, 2025-08-14 AI is transforming industries and cloud based AI expertise is in high demand This study guide is your essential resource for mastering foundational AI concepts and AWS tools while preparing for the AIF C01 certification exam

Author Tom Taulli breaks down complex topics into practical easy to understand lessons that will enhance the test readiness of IT professionals developers or data analysts looking to expand into AI Covering key areas like machine learning natural language processing computer vision and generative AI this guide also provides hands on experience with AWS tools such as SageMaker Bedrock Rekognition and Comprehend With real world examples ethical considerations and exam focused strategies you ll gain the confidence to both pass the exam and apply AI concepts in your career Understand core AI principles and their applications in AWS Learn how to use AWS s AI tools for real world business solutions Grasp key exam strategies with practice questions and expert insights Apply AI techniques confidently in cloud environments Achieve certification and enhance your career in AI and cloud computing

Operational Intelligence for Health, Wellness, and Leadership Gamaliel Baer, David Schary, 2023-10-16 Operational Intelligence for Health Wellness and Leadership OIHWL addresses human behavior and the impact of lifestyle on the Big Three health outcomes of heart attack cancer and suicide It weaves together the concepts of resilience physical wellness nutritional wellness mental wellness and leadership OIHWL's model for behavior change is built using Aristotle's philosophy of responsibility OIHWL is designed to show the application of the behavioral change model throughout the book The result is a logically consistent and easy to follow framework that any firefighter can apply to their life and that any fire department can adopt and implement as education for its members This remains the case even if some or all of the hundreds of citations eventually age out because the model is true The final chapter presents an objective and thus assessable definition of leadership It aims to displace the decades of leadership

theory that is subjective in nature and often indistinguishable from management theory Just as NFPA outlines categorically that certain fire apparatus are aerials and not engines there is a way to distinguish categorically between leadership and management OIHWL is the comprehensive guide for learning how to optimize behavior that is within your control *Women Police Unfurled in Pakistan: Perspective, Status and Prospective* Saima Manzoor Arain, 2014-06-14 Author has trailed emergence of women police reflected Education Competence and Performance with transgenerational roots of wisdom from Constable to IGP psycho socio culture mentors to find freedom justice and unity This has made her a trailblazer to become an unequivocal representative to reflect the conduct of police not maintaining Justice Principle of Unity not a catchword within its ranks and of freedom not the muse of Cohesive Ethics Theorem This book embeds two modes of existence the male operational mode which concentrates on material reliance power and chauvinism and is the basis of such evils as greed for money and domination and the female operational mode which is based in affection in the pleasure of sharing distress of the female and constructive activity where she concludes that female talent is still untapped Hence this book reflects distinct psychological sketch of the Women Police and pushes readers to muse on it and opens bold horizons of intellectual endeavors

Elderhood Louise Aronson, 2019-06-11 Finalist for the Pulitzer Prize in General Nonfiction A New York Times Bestseller Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction Winner of the WSU AOS Bonner Book Award Winner of the 2022 At Home With Growing Older Impact Award As revelatory as Atul Gawande's *Being Mortal* physician and award winning author Louise Aronson's *Elderhood* is an essential empathetic look at a vital but often disparaged stage of life For more than 5 000 years old has been defined as beginning between the ages of 60 and 70 That means most people alive today will spend more years in elderhood than in childhood and many will be elders for 40 years or more Yet at the very moment that humans are living longer than ever before we've made old age into a disease a condition to be dreaded denigrated neglected and denied Reminiscent of Oliver Sacks noted Harvard trained geriatrician Louise Aronson uses stories from her quarter century of caring for patients and draws from history science literature popular culture and her own life to weave a vision of old age that's neither nightmare nor utopian fantasy a vision full of joy wonder frustration outrage and hope about aging medicine and humanity itself *Elderhood* is for anyone who is in the author's own words an aging i.e. still breathing human being
