on heritage destruction in Ukraine

Research Handbook on the Brussels Ibis Regulation Peter

Mankowski, 2020-03-28 This timely Research Handbook addresses the cutting edges of the Brussels Ibis Regulation in particular its place within the overall system of EU law and its adaptations in response to lawsuits or the needs of particular industries Featuring original research by leading academics from across Europe chapters take a systematic approach to examining a broad variety of topics in relation to this analysing the most recent developments in legislation and practice and providing an outlook on the future of this field of EU law *Comparative Legal Frameworks for Pre-Implantation Embryonic Genetic Interventions* Pin Lean Lau, 2019-08-01 This book discusses the possibilities for the use of international human rights law and specifically international biomedical laws related to the protection of human rights and the human genome to provide a guiding framework for the future regulation of genetic modifications applied to human embryos and other precursor materials when these are made with the aim of implanting a genetically altered embryo in a woman The significance and timeliness of the work derives from the recent availability of CRISPR Cas9 and other gene editing tools and from lacunae in international law regarding the legality of embryo modification with these tools and appropriate governance structures for the oversight of resulting practices The emergence of improved genome editing tools like CRISPR Cas9 holds the promise of eradicating genetic diseases in the near future But its possible future applications with Pre Implantation Genetic Diagnosis PGD raises a plethora of legal and ethical concerns about remaking future human beings The work aims to address an urgent call to embed these rising concerns about biomedical advancements into the fundamental tailoring of legal systems Suitable regulatory approaches coupled with careful reflection of global biomedical laws and individual constitutional systems must be explored The Book analyzes the impact of reproductive biomedical technologies on the legal and ethical dimensions of regulatory frameworks in selected constitutional systems like the US the UK Australia Malaysia and Thailand Employing a comparative law methodology the work reveals a dynamic intersection between legal cultures socio philosophical reasoning and the development of a human rights based framework in bio political studies Navigating towards a truly internationalized biomedical approach to emerging technologies it presents an understanding why a renegotiation and reinvigoration of a contemporary and new universal shared values system in the international human rights discourse is now necessary The Hero: Book Two David Rubin, 2015-12-29 In ancient Greece the first superhero was born Heracles the son of Zeus came into the world with strength charm and a fighting spirit The Hero Book Two continues David Rubin's epic tale of Heracles in a postmodern look at the Twelve Labors and the champion's fateful doom The story delves deep into his life revealing those who would wish him harm on his meteoric rise to stardom his tumultuous love affairs and his incredibly heroic feats Rubin's eclectic style will change the way you look at one of the most important Greek myths Governing Arctic Change Kathrin Keil, Sebastian Knecht, 2016-12-09 This volume explores the governance of the transforming Arctic from an international perspective Leading and emerging scholars in Arctic research investigate the

international causes and consequences of contemporary Arctic developments and assess how both state and non state actors respond to crucial problems for the global community Long treated as a remote and isolated region climate change and economic prospects have put the Arctic at the forefront of political agendas from the local to the global level and this book tackles the variety of involved actors institutional politics relevant policy issues as well as political imaginaries related to a globalizing Arctic It covers new institutional forms of various stakeholder engagement on multiple levels governance strategies to combat climate change that affect the Arctic region sooner and more strongly than other regions the pros and cons of Arctic resource development for the region and beyond and local and trans boundary pollution concerns Given the growing relevance of the Arctic to international environmental energy and security politics the volume helps to explain how the region is governed in times of global nexuses multi level politics and multi stakeholderism European Yearbook of International Economic Law 2021 Jelena Bäumler, Christina Binder, Marc Bungenberg, Markus Krajewski, Giesela Rühl, Christian J. Tams, Jörg Philipp Terhechte, Andreas R. Ziegler, 2022-07-06 Volume 12 of the EYIEL focuses on The Future of Dispute Settlement in International Economic Law While new forms of dispute settlement are emerging others are in deep crisis The volume starts off with reflections on Dispute Settlement and the World Trade Organisation most prominently the crisis of the Appellate Body but also addressing international intellectual property law and the African Continental Free Trade Area This is followed by a section on Dispute Settlement and Investment Protection International Investment Law which includes articles on the summary dismissal of claims the margin of appreciation doctrine the use of conciliation to settle sovereign debt disputes and contract based arbitration in light of Achmea and Hagia Sophia at ICSID Further contributions consider the emerging role of commercial courts the dejudicialization of international economic law dispute settlement in the UK EU Withdrawal Agreement reference mechanisms in dispute resolution clauses and UNCLOS *Not by Bread Alone* Robert Nalbandov, 2016 Since its independence in 1991 Russia has struggled with the growing pains of defining its role in international politics After Vladimir Putin ascended to power in 2000 the country undertook grandiose foreign policy projects in an attempt to delineate its place among the world s superpowers With this in mind Robert Nalbandov examines the milestones of Russia s international relations since the turn of the twenty first century He focuses on the specific goals engagement practices and tools used by Putin s administration to promote Russia s vital national and strategic interests in specific geographic locations His findings illuminate Putin s foreign policy objective of reinstituting Russian global strategic dominance Nalbandov argues that identity based politics have dominated Putin s tenure and that Russia s east west split is reflected in Asian European politics Nalbandov s analysis shows that unchecked domestic power an almost exclusive application of hard power and determined ambition for unabridged global influence and a defined place as a world superpower are the keys to Putin s Russia **International Crimes: Volume I: Genocide** Guénaél Mettraux, 2019-06-18 Judge Mettraux s four volume compendium International Crimes Law and Practice will provide the most detailed and

authoritative account to date of the law of international crimes It is a scholarly tour de force providing a unique blend of academic rigour and an insight into the practice of international criminal law The compendium is unrivalled in its breadth and depth covering almost a century of legal practice dozens of jurisdictions national and international thousands of decisions and judgments and hundreds of cases This first volume discusses in detail the law of genocide its definition elements normative status and relationship to the other core international crimes While the book is an invaluable tool for academics and researchers it is particularly suited to legal practitioners guiding the reader through the practical and evidential challenges associated with the prosecution of international crimes
