The Oregon State Bar Bulletin ,1965 Federal Register ,2014-02 **Congressional Record** ,
Intolerance Robert E. Tully,Bruce Chilton,2017-07-14 Aristotle accurately characterized humans as political animals Whether through birth or from choice people naturally cluster into groups for protection advancement and the pursuit of well being But Aristotle s description does not hint at the powerful binary tension within this human tendency Leaders enhance a social group s sense of identity by appealing to the members commitments and shared traditions to their hopes strengths sacrifices and fears Often however they cultivate not only an awareness of difference but even a sense of superiority since for every social group there are those outsider the them Maintaining a group s solidarity can too easily lead to the righteousness of intolerance towards those who are excluded The reinforcement of group identity in this way runs so deep in human nature that holding up a mirror to ourselves inevitably reveals a split image the people we want to see and the people we re glad we re not *Intolerance Political Animals and Their Prey* presents stark examples of how the us have treated the them The papers in this volume hold up various unflattering mirrors of intolerance from the areas of History Law Philosophy Political Science and Religion The authors of these scholarly studies do not condemn Rather their research compels us to look at ourselves as the political animals we are *Intolerance Political Animals and Their Prey* is the product of a year long multi disciplinary collaboration between faculty members of Bard College and the United States Military Academy at West Point The project involved parallel seminar courses at both institutions along with Joint Sessions all focused on the central theme of intolerance

and culminated in a three day academic Conference at Bard in the Spring of 2015 This volume inaugurates a new series being published by Hamilton Books under the general title Dialogues on Social Issues Bard College and West Point *Ruby Pipeline Project* ,2010 *Sexual Misconduct in the Education and Human Services Sector* Schwilk, Christopher,Stevenson, Rachel,Bateman, David,2016-07-22 Creating a safe and trusting environment is a pivotal concern within any professional setting By increasing awareness and providing accurate information misbehavior problems can more easily be prevented Sexual Misconduct in the Education and Human Services Sector is a pivotal reference source for the latest scholarly research on effective guidelines and frameworks for ensuring appropriate professional conduct and presents innovative methods for the proper training of employees Focusing on imperative concepts and applicable real world examples this book is ideally designed for managers researchers and professionals interested in the prevention of inappropriate behavior in the workplace
