Nagarazan, 2023-09-28. Allahu Jehovah has established a new nation, nor world called Himagiri. This country or World is also in the Himalayas between China and Tibet. And there is the great capital called Devanagari. The current Himagiri has 14 major cities. They are all related to God Allahu Jehovah. And the Himagiri has a new constitution and a new law section. And there is also have a new religion. And there were new sacred books when he was 32. Rather than saying that the Himagiri country is a new country, nor world, it can be called a new universe. Because the Himagiri country has kept all the countries of the world under its control. Himagiri is not limited to humans or not dedicated. Himagiri it states that every country in the world should follow the Himagiri constitution. The Constitution is not just for Himagiri country. At present, in some countries, many religious practices and religion are being threatened by the constitution already in place. Noticing this, Param Prabhu Allahu Jehovah created the constitution that he himself had created in the universe to be implemented in all countries in the world. He created it in the presence of all the deities of the universe. In that constitution, no country, no one is threatened. There is no difference. Everyone gets equality and freedom there. But the written constitution is not only applicable to human beings but also to other living beings. **Cultural Code** Phillip Penix-Tadsen, 2016-02-12.
