Amazon.com For Dummies Mara Friedman, 2003-01-16 If you've surfed the Web more than once you've probably visited Amazon.com. Originally you may have gone there searching for books but Amazon.com is so much more than a bookstore. The author of *Amazon.com For Dummies*, who has been involved with the site from its beginnings, describes it as a shopping mall, home improvement store, bazaar, travel agency, newsstand, car lot, but most importantly a community of buyers and sellers. People like you. Countless opportunities exist for those who join this community and Amazon.com For Dummies gives you a smorgasbord sampling of what they are and how to take advantage of every one. For example you can: Set up an account and buy things; Bid on an auction; Sell your items; Personalize your shopping experience; Open your own online store; Join the Amazon.com community. Written by Mara Friedman who has held several positions with Amazon.com including marketing communications manager. *Amazon.com For Dummies* takes you from your first venture into the Amazon all the way to making money from your Amazon.com experience. Discover how to: Find your way around the marketplace and scout out the best deals; Get local movie showtimes; view restaurant menus; chat with other shoppers; send free e-cards or sign up for a free reminder service; Track orders and manage your account; Browse specialty shops and check out international merchandise; Take advantage of reviews from other shoppers; Set up and use wish lists for yourself and your friends; Create your own online Zshop; set the right prices and take photos that help sell your items; Take advantage of the Amazon.com Advantage or become an Associate. Whether you're a complete novice who'd like a guide to help you with your first online purchases or a longtime Amazon.com shopper who wants to become an online entrepreneur, *Amazon.com For Dummies* has what you need. Use it today to get started and tomorrow to help you manage your own successful online business. *Amazon FBA 2024* Robert D Michaels, 2021-07-03 Amazon FBA or fulfillment by Amazon is a business opportunity that offers people the opportunity to operate their own e-commerce store without having to deal with all of the technical bells and whistles that can make traditional e-commerce seem daunting. 2021 Imagine a business where you could sell whatever you wanted without having to handle the product physically and being able to charge whatever price you wanted to charge on it This is essentially what dropshipping amounts to It is a wonderful business model you re going to learn all about it inside and out in this chapter There are some disadvantages as well that would be remiss of me not to remind you hof I ll cover those as well since it is unrealistic for you to assume that everything will always beat hunky dory Either way let s jump in and look at what dropshipping is Dropshipping is the process where a middleman retails a manufacturer s or wholesaler s product The middleman in this case is you the store owner The store owner takes care of all of the marketing aspects and drives traffic to the order pages and the wholesaler takes care of product fulfillment such as delivery and packaging In some cases you can even have the manufacturer brand the product with your own name and have them ship it to your customers This business model is of immense help to the manufacturer and wholesaler since they get to focus on investing in what they know best which is manufacturing the product You get to focus on what you know best which is to drive traffic and bring in sales In effect you re a one person marketing team for the wholesaler s products What s not to like The customer will order the product via your website or sales channel and will pay you money In turn you pay the wholesaler at their quoted price and you pocket the profits
