Tucker, 1979 Discusses teaching social studies in the Federal Republic of Germany Thailand Japan Nigeria England and the United States Bulletin, 1936 Congressional Record United States. Congress, 1970 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Teaching Reading and Study Skills in Content Areas Dorothy Rubin, 1992 **Bureaucratic Democracy** Douglas Yates, 1982 Although everyone agrees on the need to make government work better few understand public bureaucracy sufficiently well to offer useful suggestions either theoretical or practical In fact some consider bureaucratic efficiency incompatible with democratic government Douglas Yates places the often competing aims of efficiency and democracy in historical perspective and then presents a unique and systematic theory of the politics of bureaucracy which he illustrates with examples from recent history and from empirical research He argues that the United States operates under a system of bureaucratic democracy in which governmental decisions increasingly are made in bureaucratic settings out of the public eye He describes the rational selfinterested bureaucrat as a minimaxer who inches forward inconspicuously gradually accumulating larger budgets and greater power in an atmosphere of segmented pluralism of conflict and competition of silent politics To make the policy process more competitive democratic and open Yates calls for strategic debate among policymakers and bureaucrats and insists that bureaucrats should give a public accounting of their significant decisions rather than bury them in incremental changes He offers concrete proposals applicable to federal state and local governments for simplifying the now chaotic bureaucratic policymaking system and at the same time bolstering representation and openness This is a book for all political scientists policymakers government officials and concerned citizens It may well become a classic statement on the workings of public bureaucracy **Improving the Use of Social Studies Textbooks** William E.
