PREFACE Essentially Christianity is the special divine faith in the truth revealed by the Bible that we are saved not by our own efforts works or merits but alone by the pure and unmerited grace of God secured by Christ Jesus and freely offered in the Gospel And the Christian Church is the sum total of all those who truly believe and therefore confess and propagate this truth of the Gospel Accordingly the history of Christianity and of the Christian Church is essentially the record concerning this truth viz how when where by whom with what success and consistency etc it has been proclaimed received rejected opposed defended corrupted and restored again to its original purity Lutheranism is not Christianity plus several ideas or modifications of ideas added by Luther but simply Christianity consistent Christianity neither more nor less And the Lutheran Church is not a new growth but merely the restoration of the original Christian Church with its apostolic pure confession of the only saving Christian truth and faith The history of Lutheranism and of the Lutheran Church therefore is essentially the story concerning the old Christian truth restored by Luther viz how by whom where when etc this truth was promulgated embraced rejected condemned defended corrupted and restored again to pristine purity As for American Lutheranism it is not a specific brand of Lutheranism but simply Lutheranism in America for doctrinally Lutheranism like Christianity with which it is identical is the same the world over Neither is the American Lutheran Church a distinct species or variety of the Lutheran Church but merely the Lutheran Church in America The modified Lutheranism advocated during the middle of the nineteenth century as American Lutheranism was a misnomer for in reality it was neither American nor Lutheran but a sectarian corruption of both Hence also the history of American Lutheranism is but the record of how the Christian truth restored by Luther was preached and accepted opposed and defended corrupted and restored in our country at various times by various men in various synods and congregations In the history of American Lutheranism four names are of special significance Muhlenberg Schmucker Walther Krauth H M Muhlenberg endeavored to transplant to America the modified Lutheranism of the Halle Pietists S S Schmucker's ambition was to transmogrify the Lutheran Church into an essentially

unionistic Reformed body C F Walther labored most earnestly and consistently to purge American Lutheranism of its foreign elements and to restore the American Lutheran Church to its original purity in doctrine as well as in practise In a similar spirit Charles Porterfield Krauth devoted his efforts to revive confessional Lutheranism within the English portion of our Church **The American Lutheran Church Delineated** Samuel Simon Schmucker,2009-05 With our American Philosophy and Religion series Applewood reissues many primary sources published throughout American history Through these books scholars interpreters students and non academics alike can see the thoughts and beliefs of Americans who came before us
