Returning to Intimacy to Rebuild and Restore Hearts to Christ Priscilla Young,2022-11-03 Priscilla s book Returning to Intimacy to Rebuild and Restore Hearts to Christ is about how she got so caught up in works for God that she forgot how to spend that intimate time

that He so desired with her Holy Spirit took her through a time of spiritual training and rest to humble herself as a child at the master's feet This meant putting all else aside and allowing Holy Spirit to teach her how to once again pray with heartfelt prayers by spending time in His presence communicating only with Him and most of all returning her intimately with her First Love By God's direction Returning to Intimacy to Rebuild and Restore Hearts to Christ is the lesson plan He walked Priscilla through so that she could show others how to become intimate with Him once again This book is dedicated to all the men and women in prison who are searching to know the heart of God once again and have a burning desire to return to intimacy with Him **Tuning My Heart** Laurie Ann Kraus, 2008-05-28 Even in a society as highly mobile as our own has

become change is unsettling discomfiting Like our ancestors in faith we are more often than not on the journey in the wilderness seeking to know who we are as a people and trying to comprehend the God who we hope is going up with us wherever it is we end up going The paths are not as familiar as they once were and recognizable signposts are rare It's easy to feel lost The congregation I have now served in Miami Florida for nearly twenty years has while remaining constant in size changed faces accents and styles at a dizzying pace People don't stay put anymore and the folk who find their way to church these days are hungry for a home longing for community and hoping the God of their long vanished Sunday school childhoods can find the way to their latest change of address For this pastor and her congregation the rooting of our common life and shared faith story in the fertile soil and the organic rhythms of the liturgical year has provided a permanent address that feels like home **Tuning My Heart** is a collection of articles sermons and poetry based upon the movements of the liturgical calendar and shaped by one tropical congregation's life cycle as it seeks to bloom in the old rich soil of the Christian tradition and to flower in the exotically scented air of the vibrant diverse city that is home **Daily Words of Encouragement to**

Live By Dr. Jim Bostic Th. DS., 2013-01-03 Life for many people does not offer much to be celebrated Finances are tight relationships have gone badly health concerns have risen children are becoming unmanageable and it has caused many people to feel defeated The Daily Words of Encouragement will lift the broken hearted give hope to the hopeless and bring healing for your soul The Brotherhood of Consolation Honore de Balzac, 2015-12-28 THE MALADY OF THE AGE On a fine evening in the month of September 1836 a man about thirty years of age was leaning on the parapet of that quay from which a spectator can look up the Seine from the Jardin des Plantes to Notre Dame and down along the vast perspective of the river to the Louvre There is not another point of view to compare with it in the capital of ideas We feel ourselves on the quarter deck as it were of a gigantic vessel We dream of Paris from the days of the Romans to those of the Franks from the Normans to the Burgundians the Middle Ages the Valois Henri IV Louis XIV Napoleon and Louis Philippe Vestiges are before us of all those sovereignties in monuments that recall their memory The cupola of Sainte Genevieve towers above the Latin quarter Behind us rises the noble apsis of the cathedral The Hotel de Ville tells of revolutions the Hotel Dieu of the miseries of Paris After gazing at the splendors of the Louvre we can by taking two steps look down upon the rags and tatters of that ignoble

nest of houses huddling between the quai de la Tournelle and the Hotel Dieu a foul spot which a modern municipality is endeavoring at the present moment to remove In 1836 this marvellous scene presented still another lesson to the eye between the Parisian leaning on the parapet and the cathedral lay the Terrain such was the ancient name of this barren spot still strewn with the ruins of the Archiepiscopal Palace When we contemplate from that quay so many commemorating scenes when the soul has grasped the past as it does the present of this city of Paris then indeed Religion seems to have alighted there as if to spread her hands above the sorrows of both banks and extend her arms from the faubourg Saint Antoine to the faubourg Saint Marceau Let us hope that this sublime unity may be completed by the erection of an episcopal palace of the Gothic order which shall replace the formless buildings now standing between the Terrain the rue d Arcole the cathedral and the quai de la Cite **The Brotherhood of Consolation** Honoré de Balzac, 1893
