Saunders, 2010 This study looks at a wide range of medieval English romance texts including the works of Chaucer and Malory from a broad cultural perspective to show that while they employ magic in order to create exotic escapist worlds they are also grounded in a sense of possibility and reflect a complex web of inherited and current ideas Book Jacket

Genesis Myth in Beowulf and Old English Biblical Poetry Joseph St. John, 2024-07-31 Genesis Myth in Beowulf and Old English Biblical Poetry explores the adaptation of antediluvian Genesis and related myth in the Old Testament poems Genesis A and Genesis B as well as in Beowulf a secular heroic narrative The book explores how the Genesis poems resort to the Christian exegetical tradition and draw on secular social norms to deliver their biblically derived and related narratives in a manner relevant to their Christian Anglo Saxon audiences In this book it is suggested that these elements work in unison and that the two Genesis poems function coherently in the context of the Junius 11 manuscript Moreover the book explores recourse to Genesis derived myth in Beowulf and points to important similarities between this text and the Genesis poems It is therefore shown that while Beowulf differs from the Genesis poems

in several respects it belongs in a corpus where religious verse enjoys prominence **Ellicott's Commentary on the Whole Bible Volume VIII** Charles J. By His Son. (J. Rhenius).** Charles Theophilus Ewald Rhenius, 1841 **John Calvin's Commentaries On Genesis 1-23** John Calvin, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical

interpretation This volume covers his commentaries on Genesis 1-23 No writer ever dealt more fairly and honestly by the Word of God He is scrupulously careful to let it speak for itself and to guard against every tendency of his own mind to put upon it a questionable meaning for the sake of establishing some doctrine which he feels to be important or some theory which he is anxious to uphold This is one of his prime excellencies He will not maintain any doctrine however orthodox and essential by a text of Scripture which to him appears of doubtful application or of inadequate force For instance firmly as he believed the doctrine of the Trinity he refuses to derive an argument in its favor from the plural form of the name of God in the first chapter of Genesis It were easy to multiply examples of this kind which whether we agree in his conclusions or not cannot fail to produce the conviction that he is at least an honest Commentator and will not make any passage of Scripture speak more or less than according to his view its Divine Author intended it to speak Calvin has been charged with ignorance of the language in which the Old Testament was written Father Simon says that he scarcely knew more of Hebrew than the letters The charge is malicious and ill founded It may however be allowed that a critical examination of the text of Holy Scripture was not the end which Calvin proposed to himself nor had he perhaps the materials or the time necessary for that accurate investigation of word and syllables to which the Scriptures have more recently been subjected Still his verbal criticisms are neither few nor unimportant though he lays comparatively little stress upon them himself F5 His great strength however is seen in the clear comprehensive view he takes of the subject before him in the facility with which he penetrates the meaning of his Author in the lucid expression he gives to that meaning in the variety of new yet solid and profitable thoughts which he frequently elicits from what are apparently the least promising portions of the sacred text in the admirable precision with which he unfolds every doctrine of Holy Scripture whether veiled under figures and types or implied in prophetic allusions or asserted in the records of the Gospel As his own mind was completely imbued with the whole system of divine truth and as his capacious memory never seemed to lose anything which it had once apprehended he was always able to present a harmonized and consistent view of truth to his readers and to show the relative position in which any given portion of it stood to all the rest This has given a completeness and symmetry to his Commentaries which could scarcely have been looked for as they were not composed in the order in which the Sacred Books stand in the Volume of Inspiration nor perhaps in any order of which a clear account can now be given He probably did not at first design to expound more than a single Book and was led onwards by the course which his Expository Lectures in public took to write first on one and then on another till at length he traversed nearly the whole field of revealed truth
