Leon, 2007-11-20 This is a love story based on events that occurred in my life more than fifty years ago Some of the names have been changed and some events may have been diminished or embellished while recalling things that happened when writing the story The story is based on recollections of actual experiences I had It is a story filled with discovery joy and the innocence of teenage years back in the fifties It also shows how those years became the building blocks of a lifetime The motivation for writing this came from an extraordinary thing that happened to me in the Spring of 2006 that stirred my memory and caused me to recall with clarity what I had so long ago buried in my subconscious mind I met a person who

became a good friend but more importantly she reawakened everything I had discovered in that one magical summer back in 1954 Looking back as an adult fifty years later made me realize that there is symmetry in life but many people never take the time to see it This all started for me when we returned from our Winter Condo in Boca Raton Florida in April of 2006 As per my usual morning routine I continued to awaken early and go over to Starbucks to sit and have my morning cup of Decaf Americano Id sit there and read the Daily News or the New York Times and chat with some fascinating people I had met whod become friends in the several years since I retired One particular April morning I came in and they had a new person in charge of the morning shift working there From the moment I saw her I could not stop looking at her There was something instantly so familiar about her but I wasnt able to see exactly what it was initially When I made the connection with what it was it hit me like a ton of bricks After we were introduced we began chatting briefly but the more we made small talk the less I actually heard what she was saying as memories of my past flooded back All of a sudden I was fifteen years old again I knew then I had to sit down and somehow get this written I also knew I would at some point have to share this amazing story with her if or when I got to know her better It was interesting recalling my early childhood and the events that brought me to that wonderful summer of discovery and falling in love for what I believed then to be the first and last time in my life That summer held some of the keys to the person I would become as I grew up and dealt with life at all ages Irving Berlin James Kaplan,2019-11-05 From the prizewinning Jewish Lives series a fast moving musically astute portrait of arguably the greatest composer of American popular music Irving Berlin 1888 1989 has been called by George Gershwin among others the greatest songwriter of the golden age of the American popular song Berlin has no place in American music legendary composer Jerome Kern wrote he is American music In a career that spanned an astonishing nine decades Berlin wrote some fifteen hundred tunes including Alexander s Ragtime Band God Bless America and White Christmas From ragtime to the rock era Berlin s work has endured in the very fiber of American national identity Exploring the interplay of Berlin s life with the life of New York City noted biographer James Kaplan offers a visceral narrative of Berlin as self made man and witty wily tough Jewish immigrant This fast paced musically opinionated biography uncovers Berlin s unique brilliance as a composer of music and lyrics Masterfully written and psychologically penetrating Kaplan s book underscores Berlin s continued relevance in American popular culture About Jewish Lives Jewish Lives is a prizewinning series of interpretative biography designed to explore the many facets of Jewish identity Individual volumes illuminate the imprint of Jewish figures upon literature religion philosophy politics cultural and economic life and the arts and sciences Subjects are paired with authors to elicit lively deeply informed books that explore the range and depth of the Jewish experience from antiquity to the present In 2014 the Jewish Book Council named Jewish Lives the winner of its Jewish Book of the Year Award the first series ever to receive this award More praise for Jewish Lives Excellent New York times Exemplary Wall St Journal Distinguished New Yorker Superb The Guardian *A Thousand Tales of Johannesburg* Harry Kalmer,2017-01-06 A Thousand Tales of Johannesburg is Harry
