Replies [afterw.] The Oracle , **Homer: A Guide for the Perplexed** Ahuvia Kahane,2012-12-13 An overview of Homer and Homeric poetry discussing his reception and the influence of Homer especially on contemporary thought **Arete and the Odyssey's Poetics of Interrogation** Justin Arft,2022-09-01 *Arete and the Odyssey's Poetics of Interrogation* explores how the enigmatic Phaeacian queen Arete is at the heart of an epic scale poetics of interrogation used throughout the *Odyssey* to negotiate Odysseus kleos or epic renown Arete's interrogation of Odysseus has been especially problematic in scholarship but diachronic and synchronic analysis of similar interrogations across Indo European Orphic and Greek epigrammatic corpora show that the stranger's interrogation is a formula that demands performance and negotiation of status Within the *Odyssey* this interrogation is part of an intraformular network used to generate kleos and the queen's question initiates the longest and most complex negotiation of Odysseus status in epic and memory Arete's role as interrogator not only explains her strange authority and resonance with both Penelope and comparative afterlife figures but it also establishes a gendered agonistic tension between she and her husband Alkinoos that influences the structure genre and narratology of performances across the Phaeacian episode This book reinterprets the *Odyssey*'s central episode and challenges several assumptions about Nausikaa and Alkinoos famed hospitality even demonstrating how the Apologue is organized as a response to competing inquiries into Odysseus fundamental status in tradition The *Odyssey* ultimately navigates away from Odysseus public reputation and roots his status in private memories and Arete's carefully arranged interventions signal the larger process by which the *Odyssey* immortalizes Odysseus in poetry as a nostos hero The queen and her question invite new applications of oral poetics that shed light on the structure composition and reperformance of the *Odyssey* The Renewal of Epic V. Knight,2018-07-17 *The Renewal of Epic* considers various modes of allusion to Homer in the *Argonautica* of Apollonius dealing not only with similarities in phraseology but also with thematic and structural resemblances After an introduction two chapters discuss Apollonian techniques in treating repeated Homeric scenes sacrifice shipwreck boxing and battle The central section of the work considers the multiple links between the adventures of the Argonauts and Odysseus wanderings A final chapter explores Apollonius innovative treatment of the divine

both generally and in particular scenes The work shows convincingly that the Argonautica reproduces many of the patterns which have been found in the Iliad and Odyssey It demonstrates the presence of allusion at every level in the poem linking it to its predecessors and acting as an essential interpretative aid to the reader
