Describes a broader historical context relevant to the prompt.	<i>To earn this point, the response must relate the topic of the prompt to broader historical events, developments, or processes that occur before, during, or continue after the time frame of the question. D ANALYSIS AND REASONING (0–2 pts)	1 pt. For at least three documents, explains how or why the document's point of view, purpose, historical situation, and/or audience is relevant to an argument.	<i>To earn this point, the response must explain how or why (rather than simply identifying) the document's point of view, purpose, historical situation, or audience is relevant to an argument about the prompt for each of the three documents sourced.</i>
	1 pt. Demonstrates a complex understanding of the historical development that is the focus of the prompt, using evidence to corroborate, qualify, or modify an argument that addresses the question.	
		<i>A response may demonstrate a complex understanding in a variety of ways, such as:</i> • Explaining nuance of an issue by analyzing multiple variables • Explaining both similarity and difference, or explaining both continuity and change, or explaining multiple causes, or explaining both cause and effect • Explaining relevant and insightful connections within and across periods • Confirming the validity of an argument by corroborating multiple perspectives across themes • Qualifying or modifying an argument by considering diverse or alternative views or evidence <i>This understanding must be part of the argument, not merely a phrase or reference.</i>
