[With an Introduction by Edward Garnett.] (Popular Edition.)** Richard Jefferies, 1908 Amaryllis at the Fair Richard Jefferies, 2013-08 The book is not a novel is a phrase often in the mouth of critics who on second thoughts might perhaps add with less emphasis It does not conform to the common type of novel Fortified however with that sense of rectitude that dictates conformity to our neighbours and a safe acquiescence in the mysterious movements of public taste the critics have exclaimed with touching unanimity What a pity Jefferies tried to write novels Why didn't he stick to essays in natural history What a pity Jefferies should have given us **Amaryllis at the Fair** and *After London* this opinion has been propagated with such fervency that it seems almost a pity to disturb it by inquiring into the nature of these his achievements Certainly the critics and their critical echoes are united He wrote some later novels of indifferent merit says a critic in Chambers Encyclopaedia Amaryllis at the Fair, Etc Richard Jefferies, 1948 *After London* Richard Jefferies, 1939

Jefferies 6 November 1848 14 August 1887 was an English nature writer noted for his depiction of English rural life in essays books of natural history and novels His childhood on a small Wiltshire farm had a great influence on him and provides the background to all his major works of fiction Jefferies s corpus of writings includes a diversity of genres and topics including *Bevis* 1882 a classic children s book and *After London* 1885 an early work of science fiction For much of his adult life he suffered from tuberculosis and his struggles with the illness and with poverty also play a role in his writing Jefferies valued

and cultivated an intensity of feeling in his experience of the world around him a cultivation that he describes in detail in *The Story of My Heart* 1883 This work an introspective depiction of his thoughts and feelings on the world gained him the reputation of a nature mystic at the time But it is his success in conveying his awareness of nature and people within it both in his fiction and in essay collections such as *The Amateur Poacher* 1879 and *Round About a Great Estate* 1880 that has drawn most admirers Walter Besant wrote of his reaction on first reading Jefferies Why we must have been blind all our lives here were the most wonderful things possible going on under our very noses but we saw them not John Richard Jefferies he used the first name only during his childhood was born at Coate in the parish of Chiseldon near Swindon Wiltshire the son of a farmer James Luckett Jefferies 1816 1896 His birthplace and home is now a museum open to the public James Jefferies had the farm from his father John Jefferies who had been a London printer before returning to Swindon to run the family mill and bakery Richard s mother Elizabeth Gyde 1817 1895 always called Betsy was the daughter of John Jefferies s binder and manager These relationships are mirrored in the characters of Jefferies s late novel *Amaryllis at the Fair* 1887 and the portraits of the family in the novel tally with external accounts of the Jefferies James Jefferies like Iden in *Amaryllis* was devoted to his garden while struggling to make a financial success of the farm The garden lovingly recalled in *Wood Magic* and *Amaryllis* also makes a strong impression on the memories of those who knew the Jefferies at the time Betsy like Iden s wife seems to have been dissatisfied with life on the farm a town bred woman with a beautiful face and a pleasure loving soul kind and generous to a fault but unsuited to a country life The farm was very small with 39 acres 160 000 m² of pasture and a mortgage of 1500 would later begin a slide into debt for James Jefferies who lost the farm in 1877 and became a jobbing gardener But these difficulties were less evident in Richard s childhood The situation was much as in *After London* 1885 where the farming and gardening Baron is again based on James Jefferies The whole place was thus falling to decay while at the same time it seemed to be flowing with milk and honey One part of the Jefferies family is strikingly missing from the books In *Wood Magic* *Bevis* and *Amaryllis* the hero or heroine has no siblings only *After London* gives the main character brothers and depicts the imperfect sympathy between them James and Elizabeth s first child Ellen had died young but Richard had two younger brothers and a younger sister *Amaryllis at the Fair* Richard Jefferies, 2019-12-10 Set against the backdrop of a whimsical fair *Richard Jefferies Amaryllis at the Fair* intertwines elements of pastoral realism with a rich tapestry of human emotion and experience The narrative employs a distinctive lyrical style characterized by vivid descriptions and an acute awareness of the subtleties of nature and human interaction showcasing Jefferies skillful observations of life in Victorian England Through the lens of young *Amaryllis* who navigates the complexities of love and societal expectations the novel invites readers to reflect on the transience of joy evoked by the vibrant scenes of the fair and the poignant moments of connection and disconnection among the characters Richard Jefferies 1848 1887 a pioneering English nature writer drew inspiration from his rural upbringing and his profound connection to the English landscape

Motivated by his longing for authenticity in a rapidly industrializing world Jefferies captured the essence of humanity's relationship with nature thereby informing his narrative in *Amaryllis at the Fair*. His expertise in embedding philosophical underpinnings within simple stories makes this work a significant addition to the literary canon of the time. *Amaryllis at the Fair* is a compelling read for enthusiasts of Victorian literature and those seeking to explore the delicate interplay of love, nature, and community. Jefferies' eloquent prose will resonate with readers, encouraging them to ponder the deeper meanings behind the joyous exuberance of the fair, making it a profound exploration of the human condition.

Amaryllis At The Fair With Introduction By Edward Garnett

This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve, and recreate the original content, we have worked towards 1. Type setting, Reformatting. The complete work has been re-designed via professional layout formatting and type setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a fresh and newly reprinted and/or revised edition as opposed to other scanned printed Optical Character Recognition (OCR) reproductions. 2. Correction of imperfections. As the work was re-created from the scratch, therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content, pages, and/or other related subject matters upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work. We believe that this work holds historical, cultural, and/or intellectual importance in the literary works community; therefore, despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING.
