Focus On: 100 Most Popular 1990s Science Fiction Films Wikipedia contributors, **Focus On: 100 Most Popular American Science Fiction Films** Wikipedia contributors, *The God Factor* Rob Shelsky, 2014-10-21 He who controls the God Factor controls Earth s destiny if it still has one An ancient evil lays buried deep in the Superstition Mountains For young photojournalist Jenna Blakely and DARPA agent Kyle Fortnum the terrifying discovery is only the beginning of their problems As they soon find to their horror in their hands they hold the secret to the ultimate fate of the Earth itself There are those who will stop at nothing to get it Jenna while on assignment for her magazine captures a picture of a bright beam of light shooting up into the night sky from the mountains of Arizona Her editor sends her and a coworker Peter back to the site to investigate But the strange glow has done more than just piqued her editor s interest alone Others have noticed The event triggers a race amongst deadly opposing forces The first is a covert inner circle of the Bilderberg Society intent on finding an alien weapon to achieve their ultimate goals ones stated on the Guiding Stones of Georgia Opposing them is a secret group of Jesuits known as the Hidalgos They only owe allegiance to a centuries dead pope The fanatical Hidalgos are determined on keeping hidden the location of tainted gold the legendary Cibola the cities of lost gold Kyle Fortnum is also sent to investigate The beam of light has vaporized a military satellite The government is alarmed Moreover the strange ray targeted a distant LaGrange point in space There something invisible seems to be lurking Then there is Barry Jenna s abusive ex boyfriend and fellow journalist He s out not only to steal her story and so become famous but he wants to exact murderous revenge upon her as well A Jesuit priest wanted for a double killing and sworn to stop anyone from finding the gold Jenna and coworker Peter Kyle assassins and a maniacal ex lover are all thrust into fast paced life or death situations They battle for supremacy in the Arizona Superstition Mountains those of the legendary and famous Lost Dutchman s Mine Somehow Jenna Kyle and Peter must not only find the source of the light but discover its secrets in time to stop an alien something streaking toward Earth on a mission of total destruction As if this weren t enough there is something more something else buried in those mountains This is the lethal secret known only as the God Factor a thing so powerful it can destroy the entire population of Earth And he who controls the God Factor will control Earth s future if it still has one From a murdered priest in Boston to assassins in the Arizona wilderness the battle begins Powerful and clandestine societies struggle for control of bizarre alien weapons A government agent and an innocent young

woman fight to survive and win out against incredible odds Somehow somehow they must save the world not only from alien destruction but from human caused devastation as well In this science fiction thriller by bestselling and award nominated author Rob Shelsky the war is on for control of the God Factor The clock is ticking down toward zero hour and not for just one apocalypse but two The God Factor an action packed tale of international intrigue suspense and mystery [The Babylon Effect](#) Rob Shelsky,2014-12-02 A sealed vault discovered in the ruins of ancient Babylon reveals the knowledge of Eridu the First City of Mankind But what are the records doing in Babylon Then two archaeologists discover a terrible secret there Before they can communicate their findings to anyone they pay the ultimate price for this discovery with their lives First graduate student Harvey Keynes dies stabbed to death and then Professor Gregory Pitt is brutally murdered soon after DARPA sends agents Kyle Fortnum and Jenna Blakely of the Department of Defense to investigate However this is not by choice Someone or something is blackmailing the agency and Vera Bennington Kyle and Jenna s boss has no choice but to give in to the demands Now Kyle is under suspicion thought to be in collusion with the unknown blackmailer and so a possible traitor Arriving in Iraq the two agents struggle to solve the riddles of the murders and try to unlock the key to the secrets of the underground chamber But powerful foes are at work Kyle and Jenna along with their friend Ant a private detective fight to achieve their goals while trying to stay alive because someone wants them dead All around them dark forces gather arrayed against them The world trembles on the brink of a terrible crisis Then when an otherworldly Artificial Intelligence alerts them a secret cabal plans to trigger a nuclear war the two DARPA agents become desperate to stop this There is a race against time What is the secret that caused the deaths of the two archaeologists When discovered Kyle learns it is an earthshaking one But can the agents keep the clock from ticking down to nuclear Armageddon for all humanity Or is the Babylon Effect unstoppable and all their efforts in vain The Babylon Effect by bestseller author Rob Shelsky is a science fiction suspense novel with all the answers With the introduction of agents Kyle Fortnum and Jenna Blakely as the protagonists the thriller world will never be the same again **Book Wars** John B. Thompson,2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw

the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future

The Creator Code Rob Shelsky, 2014-11-03 Ancient messages from exploding black holes assassins bent on mayhem a murdered transsexual secret groups vying for the ultimate secret from another universe all happen in The Creator Code Add in a slain scientist federal agents on the run to save themselves and their friends and a terrible gift from the stars and you have an action packed science fiction thriller of the first order Trouble starts when researcher Phineas Bankhead has his colleague and friend Rhys Evans run a statistical analysis on Lorimer Wave recordings Rhys discovers the ancient bursts from space seem highly compressed and could contain a cryptic message Phineas contacts Vera Bennington at DARPA headquarters to alert her of this fact But when Phineas arranges to meet Rhys near his place of employment to retrieve an important flash drive kidnappers intercept and abduct him in broad daylight Events take a dramatic turn for the worse Rhys wonders why someone would abduct Phineas Does the kidnapping have to do with the flash drive containing the radio bursts Did Phineas mention the discovery to someone else besides him perhaps the wrong person When summoned the police question whether a kidnapping even took place since Rhys is the only witness to the supposed incident Exasperated and half convinced the cops are right Rhys leaves the matter in police hands He feels he can do no more to help He continues work on the radio bursts in the hopes Phineas will be okay Later the police inform Rhys that Phineas is dead having been brutally tortured They want him to come in for questioning Rhys realizes he is now a prime suspect and so goes on the run Then two assassins attempt to kill him Now he has not only the police looking for him as a wanted murder suspect but the assassins of Phineas as well In desperation he contacts an acquaintance Kyle Fortnum who unknown to Rhys is an agent for the DOD on assignment to DARPA He works for Vera Bennington the person whom Phineas had called With Vera's permission Kyle arranges for Rhys to meet him in New Mexico His goal is to bring him in from the cold to rescue him But events go awry When Kyle contacts Vera Bennington again he discovers there are moles at DARPA members of a group known as the Cabal a secret inner circle of the Bilderberg Group To bring Rhys in would not protect him but instead endanger his life even more He and Agent Jenna Blakely must try to hide Rhys until he can decode the radio bursts discover the secrets of the enigma The task is not an easy one For the discovery Rhys has made now has unleashed a whirlwind of powerful opposing forces who all struggle to obtain the incredible prize Rhys Agents Kyle and Jenna as well as computer programmer Myra go on the run from agents of the

Cabal sent to kill them The assassins are also intent on containing the knowledge of the significance of the radio bursts The Cabal wants the contents of the message only for themselves To complicate matters an ancient society The Brotherhood of the Snake opposes the Cabal and is intent on the opposite on dispensing the secret knowledge to everyone In the middle of all this Agents Kyle and Jenna barely manage to stay just a step ahead of their enemies At the same time Rhys and his new companion Myra work feverishly to decode the message They discover it comes not from aliens in outer space but from a long dead civilization in another universe The aliens offer humanity an incredible gift and a dire warning But is the gift the pearl of great price For as Kyle and the rest find out nothing comes without its terrible drawbacks Still agents Kyle and Jenna fight to keep all of them and the message safe until either help can arrive or they can reach some decision for the contents of the message are explosive If acted on the directives will forever alter Earth s future humanity s destiny Then when events come to a climax Kyle must make a fateful decision Should he take the ultimate step offered to him by the message Does he dare become more than just a mere human in order to save them all And if he takes this crucial step can there be any going back for him or for all of humanity The Creator Code is an exciting action packed suspense novel a real science fiction thriller one that keeps the reader on the edge of their seats and makes them wonder what s going to happen next Not only does the fate of all humanity and Earth s future hang in the balance but that of the entire universe as well Author and Editor Shelby Vick of Planetary Stories Magazine

SPACE TO CREATE IN CHINESE SCIENCE FICTION. Robert G. Price,2017 This study of Chinese science fiction will be of interest to students SF fans and even to those with a mere passing fancy of science fiction in the Middle Kingdom The book is split into three main parts firstly the development of Anglo American and Chinese SF are compared mainly for those who are new to the genre Next the unspoken limiting guidelines for authors that no one can will universally agree on are discussed Also historical case studies demonstrate why freedom to create is absolutely vital to the progressive developments of companies and even countries which also rings true for China s role in the 21st century Finally a sampling of 12 short stories by three major authors over the last forty years are examined for content that agrees with statements made about SF in China by experts in SF studies as well as authors themselves All this helps even a novice in the subject to gain important insights into what it means to be an SF author in China

The Rise and Fall of American Science Fiction, from the 1920s to the 1960s Gary Westfahl,2019-10-04 By examining important aspects of science fiction in the twentieth century this book explains how the genre evolved to its current state Close critical attention is given to topics including the art that has accompanied science fiction the subgenres of space opera and hard science fiction the rise of SF anthologies and the burgeoning impact of the marketplace on authors Included are in depth studies of key texts

that contributed to science fiction's growth including Philip Francis Nowlan's first Buck Rogers story the first published stories of A E van Vogt and the early juveniles of Isaac Asimov Arthur C Clarke and Robert Heinlein **Destination Havana** Francisco Angulo Lafuente, 2017-01-01 This novel is based on the life of Alfonso Nu ez Balboa former Iberia commander with more than 25 000 flight hours under his belt The nineteen thirties Nu ez is a boy from a small town called Dos Barrios de Aragon The flight of a plane captivates his heart He could have never imagine that years later he would be wearing a pilot's uniform Before reaching his destination in Havana though he will have to navigate through the many and capricious paths presented by life This is the story of a working class boy who ended up flying very high **Fang-tastic Fiction** Patricia O'Brien Mathews, 2011 Mathews uses a limited definition of paranormal and examines works set for the most part in a relatively realistic modern world inhabited by both humans and paranormal beings *Something's Gotta Give* Beth R. Bernhardt, Leah H. Hinds, Katina P. Strauch, 2012 The theme of the 2011 Charleston Conference the annual event that explores issues in book and serial acquisition was *Something's Gotta Give* The conference held November 2-5 2011 in Charleston SC included 9 pre meetings more than 10 plenaries and over 120 concurrent sessions The theme reflected the increasing sense of strain felt by both libraries and publishers as troubling economic trends and rapid technological change challenge the information supply chain What part of the system will buckle under this pressure Who will be the winners and who will be the losers in this stressful environment The Charleston Conference continues to be a major event for information exchange among librarians vendors and publishers As it begins its fourth decade the Conference is one of the most popular international meetings for information professionals with almost 1 500 delegates Conference attendees continue to remark on the informative and thought provoking sessions The Conference provides a collegial atmosphere where librarians vendors and publishers talk freely and directly about issues facing libraries and information providers In this volume the organizers of the meeting are pleased to share some of the learning experiences that they and other attendees had at the conference
