CHRISTIANITY *IN Context* A CHURCH WIDE STUDY

We are also delighted to invite you to engage in a Church Wide study, "Christianity in Context," led by the esteemed Rev. Dr. Courtney Bryant. This enlightening experience will take place on Thursdays throughout the month of October. It's an opportunity to deepen your understanding of Christianity's historical and cultural context and engage in meaningful discussions with fellow church members. Sign up your congregation for this enriching group learning experience and let us journey together towards a more comprehensive grasp of our faith: Click below

Ame Sunday School Lesson:

ReVisioning James Romaine, Linda Stratford, 2014-05-20 ReVisioning Critical Methods of Seeing Christianity in the History of Art examines the application of art historical methods to the history of Christianity and art As methods of art history have become more interdisciplinary there has been a notable emergence of discussions of religion in art history as well as related fields such as visual culture and theology This book represents the first critical examination of scholarly methodologies applied to the study of Christian subjects themes and contexts in art ReVisioning contains original work from a range of scholars each of whom has addressed the question in regard to a well known work of art or body of work How have particular methods of art history been applied and with what effect The study moves from the third century to the present providing extensive treatment and analysis of art historical methods applied to the history of Christianity and art

The Sunday school teacher's hand-book. Repr. from ('The teacher taught'). American Sunday school union, 1848

The African Methodist Episcopal Church Dennis C. Dickerson, 2020-01-09 Explores the emergence of African Methodism within the black Atlantic and how it struggled to sustain its liberationist identity **The American Sunday School Magazine**, 1826 **Two Centuries in Two Weeks** Tannie Stovall, 2009-01-22 **The Sunday school chronicle [afterw.] New chronicle of Christian education** National Sunday school union, 1877 **The New Negro in the Old South** Gabriel A. Briggs, 2015-11-13 Standard narratives of early twentieth century African American history credit the Great Migration of southern blacks to northern metropolises for the emergence of the New Negro an educated upwardly mobile sophisticate very different from his forebears Yet this conventional history overlooks the cultural accomplishments of an earlier generation in the black communities that flourished within southern cities immediately after Reconstruction In this groundbreaking historical study Gabriel A Briggs makes the compelling case that the New Negro first emerged long before the Great Migration to the North The New Negro in the Old South reconstructs the vibrant black community that developed in Nashville after the Civil War demonstrating how it played a pivotal role in shaping the economic intellectual social and political lives of African Americans in subsequent decades Drawing from extensive archival research Briggs investigates what made Nashville so unique and reveals how it served as a formative environment for major black intellectuals like Sutton Griggs and W E B Du Bois The New Negro in the Old South makes the past come alive as it vividly recounts little remembered episodes in black history from the migration of Colored Infantry veterans in the late 1860s to the Fisk University protests of 1925 Along the way it gives readers a new appreciation for the sophistication determination and bravery of African Americans in the decades between the Civil War and the Harlem Renaissance **The Times Were Strange and Stirring** Reginald F. Hildebrand, 1995-07-24 With the conclusion of the Civil War the beginnings of Reconstruction and the realities of emancipation former slaves were confronted with the possibility of freedom and with it a new way of life In **The Times Were Strange and Stirring** Reginald F Hildebrand examines the role of the Methodist Church in the process of

emancipation and in shaping a new world at a unique moment in American African American and Methodist history Hildebrand explores the ideas and ideals of missionaries from several branches of Methodism the African Methodist Episcopal Church the Colored Methodist Episcopal Church and the northern based Methodist Episcopal Church and the significant and highly charged battle waged between them over the challenge and meaning of freedom He traces the various strategies and goals pursued by these competing visions and develops a typology of some of the ways in which emancipation was approached and understood Focusing on individual church leaders such as Lucius H Holsey Richard Harvey Cain and Gilbert Haven and with the benefit of extensive research in church archives and newspapers Hildebrand tells the dramatic and sometimes moving story of how missionaries labored to organize their denominations in the black South and of how they were overwhelmed at times by the struggles of freedom

[Singing through Struggle](#) Carolynne Hitter Brown, 2025-04-21

[Singing through Struggle Music Worship and Identity in Postemancipation Black Churches](#) offers an innovative look at the vital role music and worship played in nurturing Black citizenship and identity during the Reconstruction era In such border cities as Baltimore Washington DC and Philadelphia the church was where newly emancipated migrants and members of the free Black community merged identities priorities and experiences through a process of cultural negotiation Music as a sign of Black achievement and as a genuine expression of identity produced both bastions and battlegrounds in the fight for democracy The music of Black churchgoers singing together in sanctuaries as well as in homes schools and outdoors expressed resistance to uplift ideologies within and to white supremacy without Even while using hymns and music of the European sacred tradition members infused the songs they chose with new meanings relevant to their evolving concerns and situations Drawing on fresh archival sources [Singing through Struggle](#) sheds light on the unexplored gap in the study of African American religious music between slavery and the Great Migration demonstrating the continuous stream of Black creativity and dignity that existed in religious music making between gospel music and the spirituals This close up investigation of three Black congregations draws out previously forgotten stories of men and women who understood church music as key to shaping a collective purpose and civic identity Their stories demonstrate how faith music and ritual gave the Black community means for exploring a deeply complex and ever changing reality

The Cambridge Companion to American Methodism Jason E. Vickers, 2013-10-07 A comprehensive introduction to various forms of American Methodism exploring the beliefs and practices around which the lives of these churches have revolved

[The Church of England sunday school quarterly magazine](#) ,1860 [The Sunday-school Times](#) ,1887 [A Word that Sets Free](#) Mark Ellingsen, 2000

Inspired by the heritage of African American churches Mark Ellingsen has created innovative visionary sermons on Old Testament texts from the Revised Common Lectionary His messages reflect his unique vantage point as a Lutheran of Norwegian heritage teaching at a historically black seminary and they are a model for anyone who wants to learn how to relate the Bible to the cutting edge social issues of our day Ellingsen suggests that many American Christians have abdicated

their responsibility to advocate justice in our society or to talk about what the gospel can do in our lives and society as a whole from Monday through Saturday Ellingsen believes these Old Testament texts are relevant to our contemporary lives An all too common view of many Christians is look to the New Testament to find the liberating word of God while viewing the Old Testament as being about the law and the confining demands of tradition But Ellingsen says that the history of Christianity proves this is not true He observes that Martin Luther was primarily an Old Testament scholar and that African American churches have based many of their traditions of liberation on Old Testament stories and prophetic traditions Mark Ellingsen s offering of sermons based on Old Testament texts reflects his usual thorough biblical scholarship and his readable down to earth style that consistently render his material useful to both scholars and those seeking the inspiration of a faithful Christian Richard H Stough Publisher King Publications Mark Ellingsen has had a rich and varied career as a parish pastor and a seminary professor In addition to serving several Lutheran congregations in Pennsylvania and North Carolina he has held teaching positions at Luther Northwestern Seminary and the Institute for Ecumenical Research in Strasbourg France Ellingsen currently is on the faculty of the Interdenominational Theological Center in Atlanta the largest historic African American seminary in the United States A regular contributor to several homiletics periodicals Ellingsen is also the author of ten books some of which have been used as homiletics texts in many American and Canadian seminaries Inverting the Norm: Racially-Mixed Congregations in a Segregationist State Galjoen Press,2007-12-17 Inverting the Norm describes how a few Christian congregations in apartheid South Africa achieved racial integration despite the state s legal enforcement of segregation The book analyzes how this paradoxical racial integration alongside state segregation relates to historical shifts in global and national norms The Sunday-school World ,1867 Poverty in American Popular Culture Wylie Lenz,2020-08-05 In 1964 President Lyndon Johnson declared an unconditional war on poverty in the form of sweeping federal programs to assist millions of Americans Two decades later President Reagan drastically cut such programs claiming that welfare encouraged dependency and famously quipping Some years ago the federal government declared war on poverty and poverty won These opposing policy positions and the ideologies informing them have been well studied Here the focus turns to the influence of popular art and entertainment on beliefs about poverty s causes and potential cures These new essays interrogate the representation of poverty in film television music photography painting illustration and other art forms from the late 19th century to the present They map when how and why producers of popular culture represent or ignore poverty and what assumptions their works make and encourage *Sunday School Journal for Teachers and Young People* ,1890

The Juvenile companion, and Sunday-school hive [afterw.] The Sunday school hive, and juvenile companion. Vol.4 [sic]; 3 [no.3]-43 ,1854 The IMS ... Ayer Directory of Publications ,1890 **With Gladness and Singleness of Heart** R. Logan Carson,2006-03-02 With Gladness and Singleness of Heart My Life with My Lord is the spiritual journey of a man named R Logan Carson who was born black and without physical sight in the hills of North Carolina in the early 1930 s

Even before he knew Christ as Lord and Saviour God's hand was on him from the earliest point in time. Coming from a family who thought he would be a burden to them, the author tells how God led him from the hills to a segregated school for the blind and what transpired from that point on. The barriers of racial, economic, and social discrimination were overcome by the leadership of God. How he came to his present position as Distinguished Professor of Christian Theology at Southeastern Baptist Theological Seminary, Wake Forest, NC, and how he was blessed with a loving, caring wife and two children is the inspiring story of one who hopes that others surrounded by barriers and handicaps will let God lead them to higher heights and greater gains so that they too may praise Him with gladness and singleness of heart. Acts 2:46
