Amelia S Legacy Legacy Series Book 1:

The Adversity Formula Steven Mason, 2024-06-14 Early in the 2020 pandemic author Steven Mason seeking inspiration to help cope during the Covid 19 crisis began to examine the lives of some of the great personalities from history After considerable research he discovered that many of these individuals had overcome significant adversity on their path to success After sharing these stories with others he was inspired to write this book *The Adversity Formula Inspirational Lessons from History* reviews the lives of thirty remarkable characters from history to see how they dealt with adversity The book goes on to provide a formula that readers can themselves apply to their own lives Selected mainly from the 20th Century the fifteen men and fifteen women include scientists entrepreneurs humanitarians politicians entertainers sports stars and war heroes The list contains well known names like Stephen Hawking Steve Jobs and Walt Disney but also features lesser known profiles of Virginia Hall Irena Sendler and Victor Frankl a holocaust survivor who after his experiences in the concentration camps developed a therapy to find meaning and purpose in adversity The book looks at the adversity these greats faced what they achieved despite it but also how they dealt with adversity often using it to their advantage Their coping mechanisms are summarised in five characteristics for each individual and packaged into a general formula for tackling life's problems The conclusion found within these pages is that it is often how people respond to adversity that can determine successful outcomes *The Adversity Formula Inspirational Lessons from History* will be particularly relevant to those interested in self development especially during difficult times as well as those with a love of history The book offers hope in the face of life's major challenges
