Guided Reading: Government in Colonial America

Directions: Read the main ideas for sections JCE and use Chapter 2 + Lessons 2 and 3 to complete the paragraphs that follow, with the words inserted in the columns (first) provided. Then, in the Summary, I will then use these answers to the questions in the space provided.

A. While many English colonists, ideas about the role and shape of government influenced the growth of the colonies, the laws that (1) governed and the system of government that (2) ruled were

1. different characteristic systems and influenced the basic political framework and important contributions to the founding principles and documents of the United States.

2. The principle that a government's power is derived absolutely from the people (Magna Carta) which the English people have regarded as a guarantee of limited government.

3. The English Bill of Rights and other documents that announced and confirmed certain rights, documents applied to them and gave them the same rights as people living in Britain.

4. The English system of law especially as organized by the British Parliament was widely followed in the colonies.

5. British Parliament, which distinguished itself by the people, was a familiar example of representative government, but the colonies

6. Thomas Hobbes developed the social contract theory which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have natural rights as human beings and a government that failed to protect these rights was not a legitimate government.

8. James Madison called man selfish ambitious avaricious and believed that basic rights and responsibilities depend on people as a community, especially as a social contract to protect their rights while creating law and government.

9. Charles-Louis de Montesquieu suggested separation the powers of government.

10. While many English colonists had the same government concerns
