American Headway 2. Students Book + Oxford Online Skills Program Pack Liz Soars, John Soars, 2015-04 The world's most trusted English course now with a new generation of digital support **The Social Construction of Age** Patricia Andrew, 2012-01-11 This book explores the social construction of age in the context of EFL in Mexico. It is the first book to address the age factor in SLA from a social perspective. Based on research carried out at a public university in Mexico, it investigates how adults of different ages experience learning a new language and how they enact their age identities as language learners. By approaching the topic from a social constructionist perspective and in light of recent work in sociolinguistics and cultural studies, it broadens the current second language acquisition focus on age as a fixed biological or chronological variable to encompass its social dimensions. What emerges is a more complex and nuanced understanding of age as it intersects with language learning in a way that links it fundamentally to other social phenomena such as gender, ethnicity and social class. *American Headway 3* Liz Soars, John Soars, 2003 A complete language learning package for American English students at intermediate level. *American Headway, Second Edition Level 1: Student Book with Student Practice MultiROM* John Soars, 2009-07-30 Clear focus on grammar. Across seven MENA countries, the book covers aspects of practice including task design and curriculum alignment, test re-development, rubric design, the subjective decision making that underpins assessing students' writing and feedback provision, learner performance and how research methods help shed light on initiatives to improve student writing. In such coverage, chapter authors provide concrete evidence of how assessment practice is governed by their unique context yet also influenced by international standards, trends and resources. This book will be of interest to second language teachers, assessors and programme developers as well as test designers and evaluators. **CliffsNotes AP U.S. Government and Politics 2nd Edition** Paul Soifer, 2010-06-25 Your complete guide to a higher score on the AP U.S. Government and Politics.
