The Struggle for Development and Democracy Alessandro Olsaretti, 2021-12-13. In *The Struggle for Development and Democracy* Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics. This book proposes as a first step a truly multidisciplinary humanist social science to overcome the flaws of neoliberal economic theories and to recover a balanced approach to theories and policies alike that is especially needed in the wake of the 9/11 attacks. These led to divisive culture wars which were compounded by the divisive populist politics. This book begins to sketch such a humanist social science and applies it to answer one question who is responsible for neoliberalism and the populist backlash. All royalties from sales of this volume will go to GiveWell.org in honour of Alessandro Olsaretti's memory.

Integrating Literature in the Content Areas Sharon Kane, 2017-05-12. This practical accessible resource will help future and practicing teachers integrate literature into their middle school or high school classrooms while also addressing content area standards and improving the literacy skills of their students. Two introductory chapters are followed by five chapters that each cover a different genre. Chapter 3 Informational Books Chapter 4 Fiction Chapter 5 Biography Autobiography and Memoir Chapter 6 Poetry and Chapter 7 How to and Hands on Books. Each genre chapter consists of four parts. Part 1 Discusses the genre and how content area teachers can use books within that genre to further content learning and enhance literacy skills. Part 2 Offers hands on instructional strategies and activities using literature with activities for use in a variety of disciplines. Part 3 Presents individual author studies three or four per chapter with bibliographies and guidelines for using the authors books in content area courses. Part 4 Features an annotated bibliography of specially selected children and young adult literature for that genre organized by content area. The annotations provide information about the book which can be used to prepare booktalks and teaching ideas for using in a specific content area. Altogether these sections contain more than 600 annotated entries tabbed by subject area including art English language arts languages and culture math and technology music PE health science and social studies history.
