Akbar, 2012-01-30 Acklima Akbar draws on her past experience as a manager in the NHS National Health Service to lead us

into the fascinating world of decision making right at the heart of this closed world Her book is a satirical expose on crisis management in hospitals that is both shocking and funny She takes us down the long corridors of routine medical conditions and incredibly mundane meetings to critical incidents and life saving operations The God like Consultant surgeons are given feet of clay and the non clinical managers that govern the system are clueless and even worse lacking basic sartorial gene This book might be seen as whistle blowing as the incidents and characters are credible the meetings detailed and the outcomes factual There are realistic lessons to be learnt by the aspiring NHS manager in how to manage efficiently and how to dress appropriately The threadlike sartorial nuances that underplay every scene lends humour to a very serious problem what to do with Swine Flu

The Prophetic Call to Love and Justice Arnold H. De Graaff,2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives
