May 2, 2005

To Bob Rockfield,
One of my teachers,
with all best wishes,
Philip Caputo

A Rumor Of War

Jonathan Tran

A Rumor Of War:

A Rumor of War Philip Caputo, 1999 In March 1965 Marine Lieutenant Philip J Caputo landed in Danang with the first ground combat unit committed to fight in Vietnam Sixteen months later having served on the line in one of modern history's ugliest wars he returned home physically whole emotionally wasted his youthful idealism shattered A decade later Caputo would write in *A Rumor of War* This is simply a story about war about the things men do in war and the things war does to them It is far more than that It is a Theodore Solotaroff wrote in the New York Times Book Review the troubled conscience of America speaking passionately truthfully finally It is the book that shattered America's deliberate indifference to the fate of the men it sent to fight in the jungles of Vietnam and in the years since it was first published it has become a basic text on that war But in the literature of war that stretches back to Homer it has also taken its place as an esteemed classic to rank alongside *All Quiet on the Western Front* and *The Naked and the Dead* A Rumor of War Philip Caputo, 2014-05-13 The 40th anniversary edition of the classic Vietnam memoir featured in the PBS documentary series *The Vietnam War* by Ken Burns and Lynn Novick with a new foreword by Kevin Powers In March of 1965 Lieutenant Philip J Caputo landed at Danang with the first ground combat unit deployed to Vietnam Sixteen months later having served on the line in one of modern history's ugliest wars he returned home physically whole but emotionally wasted his youthful idealism forever gone *A Rumor of War* is far more than one soldier's story Upon its publication in 1977 it shattered America's indifference to the fate of the men sent to fight in the jungles of Vietnam In the years since then it has become not only a basic text on the Vietnam War but also a renowned classic in the literature of wars throughout history and as the author writes of the things men do in war and the things war does to them Heartbreaking terrifying and enraging It belongs to the literature of men at war Los Angeles Times Book Review *Summary of Philip Caputo's A Rumor of War* Everest Media, 2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was more prepared for death than I was for life when I returned from the war in 1967 I had learned how to face death and cause it with everything on the evolutionary scale of weapons from the knife to the 3.5 inch rocket launcher 2 I grew up in Westchester Illinois one of the towns that rose from the prairies around Chicago as a result of postwar affluence VA mortgage loans and the migratory urge and housing shortage that sent millions of people out of the cities 3 I wanted to join the Marines to prove something my courage my toughness and my manhood I had spent my freshman year at Purdue freed from the confinements of suburban home and family but a slump in the economy prevented me from finding a job I had to transfer to Loyola a commuter college in Chicago 4 I was elated when I enlisted and swore to defend the United States against all enemies foreign and domestic I had done something important on my own and I was excited by the idea that I would be sailing off to dangerous and exotic places after college instead of working in an office American Myth and the Legacy of Vietnam John Hellmann, 1989-11-17 *American Myth and the Legacy of Vietnam* **The American Novel of War** Wallis R. Sanborn, III, 2012-10-16 In song verse narrative and

dramatic form war literature has existed for nearly all of recorded history Accounts of war continue to occupy American bestseller lists and the stacks of American libraries This innovative work establishes the American novel of war as its own sub genre within American war literature creating standards by which such works can be classified and critically and popularly analyzed Each chapter identifies a defining characteristic analyzes existing criticism and explores the characteristic in American war novels of record Topics include violence war rhetoric the death of noncombatants and terrain as an enemy

The Truth of War Doctor Tom Lewis, 2023-11-01 The Truth of War unveils a penetrating exploration of the most contentious facets of military combat delving into the necessity of killing the complex decisions surrounding the taking or sparing of prisoners and the intricate dilemmas concerning the targeting of civilians With a profound analysis of seven significant conflicts this book challenges conventional beliefs arguing that war possesses its own set of rules that often diverge from society's established laws and values At its core the book confronts the harsh reality that soldiers engaged in close quarter combat must swiftly adapt to become efficient killers in order to survive emphasising the stark choice they face hone their lethal skills or meet a perilous demise The author contends that the requirements of war demand an unflinching acceptance of this disturbing truth By drawing from history encompassing conflicts such as the Boer War World Wars I and II the wars in Korea Vietnam the Falklands Iraq and Afghanistan the author presents a comprehensive examination of the ethical dilemmas embedded within each episode Through meticulous research and vivid storytelling The Truth of War peels back the layers of sanitised perceptions exposing the gritty realities that within the realm of warfare In unveiling the hidden truths and complexities of war this brilliant and thought provoking book shines a blazing light on the multifaceted nature of combat challenging readers to reevaluate their preconceived notions and confront the uncomfortable truths that lie at the heart of humanity's most enduring and controversial endeavour war

Plots of War Isabel Capeloa Gil, Adriana Martins, 2012-10-30 Plots of War Modern Narratives of Conflict discusses the dynamics of change and transformation that underlie the troubled project of modernity and shows how deeply it has been shaped by war and violence The narrative of war the emplotment of violence in historic and mainly in symbolic terms is deeply embedded in the construction of individual and collective memories but it also helps to shape the mediation of future conflicts What is ultimately at stake here is the complex figuration and mediation of the violence of war in ever more hyper mediated ways with direct consequences to the production of identities and processes of cultural memory

Preventing Unjust War Roger Bergman, 2020-12-15 Catholic pacifists blame the just war tradition of their Church That tradition they say can be invoked to justify any war and so it must be jettisoned This book argues that the problem is not the just war tradition but the unjust war tradition Ambitious rulers start wars that cannot be justified and yet warriors continue to fight them The problem is the belief that warriors do not hold any responsibility for judging the justice of the wars they are ordered to fight However unjust a command renders any war just for the obedient warrior This book argues that selective conscientious objection the right and duty to refuse to fight

unjust wars is the solution Strengthening the just war tradition depends on a heightened role for the personal conscience of the warrior That in turn depends on a heightened role for the Church in forming and supporting consciences and judging the justice of particular wars As Saint Augustine wrote The wise man will wage just wars For unless the wars were just he would not have to wage them and in such circumstances he would not be involved in war at all *Fighting and Writing the Vietnam War* Ringnalda, Donald,1994 *Shooting Up* /Lukasz Kamie'nski,2017-08-31 From hallucinogenic mushrooms and LSD to coca and cocaine from Homeric warriors and the Assassins to the first Gulf War and today s global insurgents drugs have sustained warriors in the field and have been used as weapons of warfare either as non lethal psychochemical weapons or as a means of subversion Lukasz Kamie'nski explores why and how drugs have been issued to soldiers to increase their battlefield performance boost their courage and alleviate stress and fear as well as for medical purposes He also delves into the history of psychoactive substances that combatants self prescribe a practice which dates as far back as the Vikings *Shooting Up* is a comprehensive and original history of the relationship between fighting men and intoxicants from Antiquity till the present day and looks at how drugs will determine the wars of the future in unforeseen and remarkable ways

Search and Clear William J. Searle,1988 *Search and Clear* demonstrates that the seeds of war were implicit in American culture distinguishes between literature spawned by Vietnam and that of other conflicts reviews the literary merits of works both well and little known and explores the assumptions behind and the persistence of stereotypes associated with the consequences of the Vietnam War It examines the role of women in fiction the importance of gender in Vietnam representation and the mythic patterns in Oliver Stone s *Platoon* Essayists sharply scrutinize American values conduct and conscience as they are revealed in the craft of Tim O'Brien Philip Caputo Michael Herr Stephen Wright David Rabe Bruce Weigl and others *War Stories* Gary Kulik,2009-10-31 War stories are mostly innocent fables and understood as such by both the teller and the hearer However they have long been used for political and national purposes and those about the war in Vietnam were no exception as painfully evidenced in the 2004 presidential campaign John Kerry campaigned as a war hero His opponents cast him as a liar and a traitor and their war story prevailed *War Stories* delves into the myths associated with the Vietnam veteran s experience and looks at them through the war stories they told and continue to tell Kulik conducts an extremely thorough review of the Vietnam literature and interviews participants wherever possible poking holes in the war myths of people throughout the political spectrum *War Stories* discusses how returning Vietnam vets were treated and delves into the myths that atrocities were commonplace that all veterans of that war suffer from PTSD and that all are guilt ridden Kulik s research and analysis of such stories lies at the heart of this book s originality and provides a new perspective on the Vietnam War for scholars students and general readers His purpose in exposing such stories is not to deny or minimize American war crimes in Vietnam but to cut through the cant of false stories so that we retain our outrage at those that are true As we are faced with future war stories from Iraq and Afghanistan and their likely exploitation the moral stance and the

lessons learned in this book will be especially important Vietnam War Stories Tobey C. Herzog, 2017-01-27 Dealing with ten key narratives including novels and personal accounts Herzog locates them in the tradition of war literature as well as recent cinema and charts the transformations of the American nation in its experience of modern war **When War Becomes Personal** Donald Anderson, 2009-05-01 Donald Anderson a former U S Air Force officer has compiled a haunting anthology of personal essays and short memoirs that span more than 100 years of warfare Alvord White Clements himself a veteran of the Second World War introduces his grandfather Isaac N Clements s Civil War memoir the novelist Paul West writes of his father a British veteran of World War I as well as of his own boyhood recollections of the London Blitz John Wolfe details the life changing and life threatening injuries he sustained in Vietnam and the hallucinations he experienced afterward Second Gulf War veteran Jason Armagost traces his journey to Iraq through the history of literature and the books he brought with him to the war zone **Historical Memory and Representations of the Vietnam War** Walter L. Hixson, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company **The Vietnam War and Theologies of Memory** Jonathan Tran, 2010-03-02 The Vietnam War and Theologies of Memory develops atheological analysis of the American war in Vietnam and constructs a Christian account of memory in relation to this tragic conflict An elegantly written reflection of memory and forgiveness this unique work explores the ecclesial practice of memory in relation to the American war in Vietnam Questions how and why we choose to remember atrocity and asks whether it is ever ethical to simply forget Explores the theological categories of time and eternity and the ideas of thinkers including Aquinas Augustine and Barth Reveals broader insights about history memory and redemption Resonates beyond the field of theological inquiry by offering a broader analysis of war entirely relevant to our time **Vietnam at 24 Frames a Second** Jeremy M. Devine, 1999 This book summarizes and briefly analyzes over 400 films about the Vietnam War *Reader's Guide to Literature in English* Mark Hawkins-Dady, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company Vietnam War Slang Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don t encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a

growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang

Inheriting the War Laren McClung, 2017-11-07 Descendants of Vietnam veterans and refugees confront the aftermath of war and in verse and prose deliver another kind of war story Fifty years after the Vietnam War this anthology by descendants of Vietnam veterans and refugees American Vietnamese Vietnamese Diaspora Hmong Australian and others confronts war and its aftermath What emerges is an affecting portrait of the effects of war and family an intercultural generational dialogue on silence memory landscape imagination Agent Orange displacement postwar trauma and the severe realities that are carried home Including such acclaimed voices as Viet Thanh Nguyen Karen Russell Terrance Hayes Suzan Lori Parks Nick Flynn and Ocean Vuong Inheriting the War enriches the discourse of the Vietnam War and provides a collective conversation that attempts to transcend the recursion of history Each unique work in Inheriting the War embraces a collective that aims to engage through some daring and passionate truths calibrated by bravery Yusef Komunyakaa from the foreword

This book delves into A Rumor Of War. A Rumor Of War is an essential topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into A Rumor Of War, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to A Rumor Of War
- Chapter 2: Essential Elements of A Rumor Of War
- Chapter 3: A Rumor Of War in Everyday Life
- Chapter 4: A Rumor Of War in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of A Rumor Of War. The first chapter will explore what A Rumor Of War is, why A Rumor Of War is vital, and how to effectively learn about A Rumor Of War.
3. In chapter 2, the author will delve into the foundational concepts of A Rumor Of War. This chapter will elucidate the essential principles that need to be understood to grasp A Rumor Of War in its entirety.
4. In chapter 3, the author will examine the practical applications of A Rumor Of War in daily life. The third chapter will showcase real-world examples of how A Rumor Of War can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of A Rumor Of War in specific contexts. This chapter will explore how A Rumor Of War is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about A Rumor Of War. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of A Rumor Of War.
