Rodney Wicks, 2013-06 Words of a Demented Wiseman is a laugh out loud satire cascading with a mastery of wordplay and author Rodney Wicks unique humor This ferocious bombastic novel highlights race identity and the power of words categorizing nations and its descendants before you can even pop open your mouth It is those subtleties and nuances of the spoken words of a language which can change your reality to something unreal while confirming that reality of the person wearing a uniform a gun and a badge but who is paid to protect you Racism Profiling Or both BMHJ fled America after being last seen leaving the Red Elephant bar with Nikki Johnson whose body was later found with her throat slashed stabbed 48 times and a 50 bill protruded from her vagina And of course the condemning evidence her DNA from her blood was all over his clothes How could he explain Hiding out in a French psychiatric clinic he figured they wouldn't look for a murder suspect there Rodney Wicks language trainer by default and founder of the language school AAAL by chance has been residing in France since 1982 The first time novelist brings together his lyrical talent and his delightful madness all the while inserting historical left outs on both sides of the Atlantic While in search of the answer to the question Is no longer being afraid of
