**A Spy's London** Roy Berkeley, 1994-11-14 A historical tour of London landmarks for anyone fascinated by intrigue and espionage Includes maps and photos James Bond may be fictional but London is indeed the espionage capital of the world This book takes us through the city's espionage history with evocative photos and compelling stories and observations about 136 landmarks conveniently organized into manageable walking tours for those living in or visiting the city Go behind the facades of ordinary buildings to learn more about clandestine operations from the modest hotel suite where an eager Red Army

colonel poured out his secrets to a team of British and American intelligence officers to the royal residence where one of the most slippery Soviet moles was at home for years and the London home where an MP plotting to appease Hitler was arrested on his front steps in 1940      *Devotion, Obsession, & Deception* Jaytilya M. Watkins, 2014-12-08 The story is about a high school graduate named Hara who attended college at TSU a college in San Marcos Texas where she reunites with her ex boyfriend named Bishop Summers but at the same time becomes friends with a fellow student named Stephen Stephen becomes obsessed over her and sets up a plot with one of Haras roommates to break her and Bishop up When the plot doesnt go as planned he kidnaps Hara and keeps her tied up in his barn for three weeks Within those three weeks he makes her quit TSU turns her back to her friends and family including Bishop Also within those three weeks he beats and rapes her Her mom hires a private investigator to find Hara Once he finds Hara her mom the private investigator and Bishop team up to rescue Hara but the plan to rescue Hara will become a difficult task because Stephen has killed someone before and to keep Hara he would do so again Youtube <http://youtu.be/FYblAc3A8>      *The Strangers Who Came Home* John Lazenby, 2015-01-29 A compelling and beautifully drawn social history of the first Australian cricket tour of England An excellent bustling account of the first Australian cricket XI to tour England Independent A fascinating story well told Choice The Ashes cricket series played out between England and Australia is the oldest and undoubtedly the most keenly contested rivalry in international sport And yet the majority of the first representative Australian cricket team to tour England in 1878 in fact regarded themselves as Englishmen In May of that year the SS City of Berlin docked at Liverpool and the Australians stepped onto English ground to begin the inaugural first class cricket tour of England by a representative overseas team As they made their way south towards Lord s to play MCC in the second match of the tour the intrepid tourists or the strangers as they were referred to in the press encountered arrogance and ignorance cheating umpires and miserable weather But by defeating a powerful MCC side which included W G Grace himself in a single afternoon s play they turned English cricket on its head The Lord s crowd having begun by openly laughing at the tourists were soon wildly celebrating a victory that has been described as arguably the most momentous six hours in cricket history and claiming the Australians as their own The Strangers Who Came Home is a compelling social history which brings that momentous summer to life telling the story of these extraordinary men who travelled thousands of miles risking life and limb playing 43 matches in England as well as several in Philadelphia America on their return journey during a demanding but ultimately triumphant homecoming It reveals how their glorious achievements on the field of play threw open the doors to international sports touring and how these men from the colonies provided the stimulus for Australian nationhood through their sporting success and brought unprecedented vitality to international cricket      *The Account of Mary Rowlandson and Other Indian Captivity Narratives* Mary Rowlandson, 2012-03-08 Rowlandson s famous account of her abduction by the Narragansett Indians in 1676 is accompanied by three other narratives of captivity among the Delawares the Iroquois and the Indians of the Allegheny      **East of Home**

Santha Rama Rau, 2019-08-18 In 1947 Santha Rama Rau went to Japan with her father India's ambassador to Tokyo A year later she went to China with friends hitchhiked to remote provinces of the northwest and traveled through Indo China and Siam to Indonesia to live for several months in a Balinese village East of Home is the report of a fascinating trip full of information about the people of Asia their customs theater and dance It also shows how a young Indian woman educated in the West encounters Asia for the first time and discovers herself as an Asian A first rate and deceptively informal account of a recent journey through Asia The New Yorker An informal and pleasantly engaging book about Santha Rama Rau's travels in the Far East personal colored by her acute consciousness of being an Asian among Asians Orville Prescott The New York Times A travel book with timely disturbing moral under currents both social and political so enthralling so utterly convincing and absorbing that one rebels at turning the last page Boston Herald Delightful reading a fascinating adventure story It also enables one to see Asia as a whole But its main value lies in the fact that an Asian writes about Asia an Asian who since she has lived and been educated in the West has the advantages of both points of view In this age of an Asian renaissance Miss Rama Rau's account is both interesting and vital Saturday Review

*Inescapable Desires* Christopher Rivers, 2024-11-14 No one knows what to do about the mayhem and violence that has spread across the world Human beings are being killed every day at an alarming rate Each year we lose more of our fragile ecosystem as corporations of the world suck the planet dry of its natural resources without any consequences to the damage they are doing to our planet The human race has lost itself in search of its individualistic lifestyle while losing the cohesion of being a family unit The only way the world could reform itself was if another power greater than mankind forced them into change When a young woman is found raped and beaten to death at a backcountry shelter in Maine Kelly knew it was time for that change Kelly and his family were not normal human beings They were in fact the next step in human evolution The family was willing to risk their lives and the lives of everyone on the planet to force mankind to change their wild behavior Your thinking is everything It's who you are and most importantly it reflects on how you behave The entire world's population needed to change their thinking process The only problem is that mankind doesn't know how No one was aware that the Winston family or the organization they belonged to existed And when the federal government learns about them they won't know what to do with them But if the governments of the world really understood who the Winstons were They wouldn't take the chance of shooting them bombing them might work or better yet nuke the family instead The Winston's were all about change The family was ready to show the United States government and world powers they didn't have any other options Ready to force everyone on the planet to change their destructive behavior The group of five men and seven women were not taking no for an answer The fate of mankind hangs on the knowledge the family alone has The Winstons don't want to hurt anyone in the process of redeeming the world However they were ready to murder millions of lives to live in a utopia like world
