the book has given due justice to this aspect Another important feature of the book is the analysis of the postmodernist element in Boyd s novels This critical framework can be used to analysis the postmodernist element in the contemporary Indian novel in English Even going further it can be used to analyse the Postmodernist element in the contemporary Marathi novel A thesis is really acknowledged when it become a source material for the future researchers and comparatives Mr Latane s book has that potential I heartily wish a good reception to the book Dr Prakash Deshpande Kejkar Former Professor of English Shivaji University Kolhapur *Christianity and the Detective Story* Anya Morlan,Walter Raubicheck,2014-08-11
