A Thousand Hills To Heaven:

A Thousand Hills to Heaven Josh Ruxin, 2025-05-01 One couple's inspiring memoir of healing a Rwandan village raising a family near the old killing fields and building a restaurant named Heaven Newlyweds Josh and Alissa were at a party and received a challenge that shook them to the core do you think you can really make a difference Especially in a place like Rwanda where the scars of genocide linger and poverty is rampant While Josh worked hard bringing food and health care to the country's rural villages Alissa was determined to put their foodie expertise to work The couple opened Heaven a gourmet restaurant overlooking Kigali which became an instant success Remarkably they found that between helping youth marry their own local ingredients with gourmet recipes and mix up the best guacamole in Africa and teaching them how to help themselves they created much needed jobs while showing that genocide's survivors really could work together While first a memoir of love adventure and family **A Thousand Hills to Heaven** also provides a remarkable view of how through health jobs and economic growth our foreign aid programs can be quickly remodeled and work to end poverty worldwide

Over a Thousand Hills I Walk with You Hanna Jansen, 2014-08-01 Before one fateful April day Jeanne lived the life of a typical Rwandan girl She fought with her little sister went to school and teased her brother Then in one horrifying night everything changed Political troubles unleashed a torrent of violence upon the Tutsi ethnic group Jeanne's family all Tutsis fled their home and tried desperately to reach safety They along with nearly 1 million others did not survive The only survivor of her family's massacre Jeanne witnessed unspeakable acts But through courage wits and sheer force of will she survived Based on a true story this haunting novel by Jeanne's adoptive mother makes unforgettably real the events of the 1994 Rwandan genocide as one family experienced it Jeanne's story is a tribute to the human spirit and its capacity to heal

Heaven's Lessons Steve Sjogren, 2013-02-18 If you'd asked me who God is on December 9 the year of my accident I would have been able to give you a fairly cohesive but theoretical answer A day later all of that changed A simple surgery

went horribly wrong Steve Sjogren died on the operating table He encountered a heavenly world where he felt infinite peace And then he had to come back back to a physical reality filled with pain and disability and an endless line of tests The drama of dying suddenly paled in comparison to the trauma of living Sjogren could not face this new existence with his same old comfortable understanding of God I had minimized God Sjogren says Somehow over time he had become fairly predictable like he could be outlined fully grasped and contained in a neat set of mere ideas Now I saw that he apparently wasn't all that impressed with my cool little notebooks One day in heaven followed by hundreds in agony forged a deeper and stronger faith than Sjogren could have crafted on his own In Heaven's Lessons Sjogren shares his experiences and the life changing ways they have affected his perspective on success suffering and the mysteries of God Watch the trailer here <http://www.youtube.com/watch?v=5l4jugXqiBU>

A Crack in the Ceiling Brenda A. Gates Holt,2023-09-20 What if you secretly felt like God shortchanged you in some way or another and all your turns were predestined to be crooked ones People around you talk about their purpose passion and giftedness and you have yet to fill in the blanks Maybe you grew up in an adverse environment that mangled and muddled your hopes and dreams Perhaps you earnestly intended to break loose and break free but were too afraid to get out of the cage because a lion was guarding the door and now lurking fears have immobilized you Yes you pray attend church services give and do other things that may count as good stuff but there is no fire in your bones no passion in your praying or peace in your soul and that once upon a time inexplicable joy took a hike a long time ago You know that there is a gulf between you and God but you hesitate to discuss it with Him Here's inspiration for anyone feeling like they are stuck in neutral in too deep or never had a chance in the first place The author weaves compelling life stories into life lessons that we can all benefit from especially if you struggle with staying on track grappling with your past familial upbringing and getting to the root of where you are out of sync spiritually and your walk with God You'll read how He can speak to us in glowing terms of nature or as simply as a crack in the ceiling [Midrash as Literature](#) Jacob Neusner,2003-04-16
