of the ten commandments and the Law as handed down by Jesus in the Sermon on the Mount *A Treatise on Good Works* Martin Luther,2018-05-02 Luther's transformational idea of justification by faith alone was often misunderstood and misrepresented in the early years of the Reformation In 1520 with his Wittenberg congregation in mind Luther set out to clarify the biblical foundation of good works In doing so he recast the very definitions of sacred and secular both for his own generation and ours *Treatise on Good Works* is the second of an occasional series of guides to key Reformation treatises by Martin Luther Aimed at increasing understanding and interest among contemporary readers these slim affordable volumes feature new translations and a range of helpful features We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **A Treatise on Good Works** Martin Luther,2007-11-28 The work preaches deep and profound moral lessons to human beings everywhere Luther preaches that good work requires complete faith in God For the reward of kindness to be received either in this world or the hereafter one must have complete trust in oneself and in the mightiness of God **A Treatise on Good Works** Martin Luther Translated by Johann Michael Reu,2018-07-24 Get to know the theologian and religious thinker whose radical reinvention of the Christian faith sparked the Protestant Reformation In *A Treatise on Good Works* Martin Luther expounds on his contention that although Christlike behavior is important believers are redeemed ultimately through God's grace This primer is a great way to deepen your understanding of the Christian faith and its turbulent theological history **A Treatise on Good Works** Martin Luther,Johann Michael Reu,2025-03-28 Dr Martin Luther's *A Treatise on Good Works* remains a cornerstone of Christian theology exploring the vital relationship between faith and action This influential work delves into the nature of good works and their role in Christian ethics providing profound insights into the life of faith Luther clarifies the concept of good works within the framework of Lutheran Christianity emphasizing their connection to spiritual growth and a life lived in accordance with Christian principles Addressing fundamental questions about the purpose and value of good works this treatise offers timeless wisdom for those seeking a deeper understanding of Christian living Explore Luther's theological perspectives on faith works and the pursuit of a morally upright life A significant contribution to the study of Christian ethics and Lutheran theology this book continues to inspire reflection and action This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the
