A Very Beary Christmas Danni Roan, 2020-08-12 The Jimenez family has had a difficult relationship with Christmas ever since their parents were lost in a terrible accident Now years later the youngest tries to capture the essence of the holiday through her inspired winter landscapes Traveling almost as far north as is possible a single night under the stars will change everything With nothing but her keen eyes and paint smeared easel can Anita capture the spirit of Christmas in time for a miracle Devon Willshire has never worked so hard in his life As a new intern at the local hospital he's sleep deprived anxious and impatient to become an uncle for the first time He has no time for love romance or silly Christmas traditions Can a little magic from Mrs Claus show him that everything he ever wanted or needs is right around the corner Find out if a precious ornament and dash of magic can help two people find true love

A Very Beary Christmas, #1 Abbie Zanders, 2017 Christmas wishes do come true Some just take a little longer than others For most people Christmas is a time to celebrate with family and friends but not for Chloe Lewis She plans to spend it as she does every other day alone escaping the harsh realities of the world through her art Painting mountainous landscapes reminds her of the one brief time in her life when she didn't feel so alone The hallmark grizzly bear she incorporates into each and every painting has the same golden brown eyes as the only friend she'd ever known Sam Brown was only eight years old when Chloe moved to the small mountain town he and his family called home but his bear knew right away that she was the one for him In a cruel twist of fate Chloe was taken away but he's never forgotten her or what she is to him When Sam's cousin comes home for the holidays and shows him a painting he'd seen of a very familiar looking bear and signed simply Chloe it might just be the break he's been hoping for A winter storm is coming but nothing is going to stop Sam from finding her and bringing her home After all Christmas is the time for miracles

A Beary Merry Christmas Layla Nash, 2021-12-25 Single mom Noelle hates Christmas December never goes right for her and her car breaking down blocks from her best friend's house is just about right And of course a gorgeous jerk shows up to help until a whiff of a full diaper sends him running just like every other man since she had her babies Jameson's polar bear side loves three things snow an organized room and more snow Staying with a building full of bears their mates and children is trying enough without adding the prickly sexy single mother to the mix At least she distracts him from the chaos unfolding after a flu hits the building With everyone else in quarantine it's up to Noelle and Jameson to save Christmas It'll take more than a miracle to get a tree and presents set up without strangling each other Or maybe it'll take a Christmas bear icle

A Very Beary Christmas Abbie Zanders, 2017-11-16 Even at Christmastime Chloe escapes the harsh realities of the world through her art She incorporates a grizzly bear into each painting as a reminder of the only friend she ever knew When Sam sees one of her paintings he recognizes the bear and determines to find the artist he knew years before and bring her home
