How Christmas Became Christmas Nathaniel Parry, 2022-11-10 In some respects the contrasts of Christmas are what make it the most delightful time of the year It is a time of generosity kindness and peace on earth with broad permission to indulge in food drink and gifts On the other hand Christmas has become a battleground for raging culture wars marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday This text argues that much of

the animosity is based on a fundamental misunderstanding of the holiday's core character. By tracing Christmas's origins as a pagan celebration of the winter solstice and its development in Europe's Christianization, this history explains that the true reason for the season has as much to do with the earth's movement around the sun as with the birth of Christ. Chapters chronicle how Christmas's magic and misrule link to the nativity and why the carnival side of the holiday appears so separated from traditional Christian beliefs. *Children's Tales from Dickens – The Great Classics & The Wonderful Stories for Children (Illustrated Edition)* Charles Dickens, 2017-02-27
