A Whore In Berlin Prostitutes In Berlin Germany:

A Whore in Berlin Kimberley Wulf, 2014-11-20 Street prostitution in Berlin Germany I know what I'm talking about I've made my own experiences in this business on Kurfürstenstraße Berlin This is my story The clothes and gestures are the same in all women who stand along Kurfürstenstraße Berlin around the clock Potential clients are enticed with kisses smart phones in one ear tight miniskirts and unique gestures Fing and b jobs are done in cars behind bushes or in one of the w cabins I stood there too not so long ago I kept my high heels on during a f Most clients came quicker than I remember very well how my first client eja into my right hand for the first time This happened nearly five years ago I was quite surprised how little it bothered me It was already clear to me then that things weren't going to stay like that forever You only make money if you get f'd and do a good b job B jobs of all variations turned quite quickly into my specialty deals I used up a tremendous amount of lipsticks because I used to reapply it to my lips very heavily after I got the job done Bright red lips and gleaming white teeth soon became my trademark Do you wanna f me was the way I would start a conversation with my clients Kimberley This is all written and told from my own perspective The police or a client may perceive and judge things very differently The prostitutes themselves already have their own opinions A 21 year old Bulgarian woman once told me What are you complaining about It's much better here for me than it was in Bulgaria And it's even better for you here than it is for me The men are friendly and most of the time they aren't even drunk But nevertheless I want to get away from here I miss my kids But for now I have to stay here because my husband lost me playing cards with a pimp I don't know what to expect when I get back to Bulgaria I'll probably be passed around my relatives But I won't get any money anymore for f'ing I'm better off here If it wasn't for my kids then I would never go back to Bulgaria Berlin is fantastic Since 2002 prostitution is legal in Germany This decision has turned our country into a pimp's paradise and clients came from all over Europe There are more working prostitutes in Germany than there are in Thailand It is estimated that there are 400 000 women who prostitute themselves involuntarily or voluntarily Every single day 1 200 000 men visit brothels or pick up a street prostitute 15 000 000 000 Euros are made in Germany by women who sell s This is three times as much as Porsche's sales Between 2002 and 2014 the turnover nearly tripled Mostly all of the money is unreported and back handed and ends up somewhere in the channels of the organized crime Berlin is the capital of prostitution more so than Amsterdam I will tell you about my time on Kurfürstenstraße

Selling Sex on Screen Karen A. Ritzenhoff, Catriona McAvoy, 2015-07-16 Whether in mainstream or independent films depictions of female prostitution and promiscuity are complicated by their intersection with male fantasies In such films issues of exploitation fidelity and profitability are often introduced into the narrative where sex and power become commodities traded between men and women In Selling Sex on Screen From Weimar Cinema to Zombie Porn Karen A Ritzenhoff and Catriona McAvoy have assembled essays that explore the representation of women and sexual transactions in film and television Included in these discussions are the films Breakfast at Tiffany's Eyes Wide Shut L A Confidential Pandora's Box and Shame and such programs as Buffy the Vampire Slayer and Gigolos By exploring the themes of class differences and female economic independence the chapters go beyond textual analysis and consider politics censorship social trends laws race and technology as well as sexual and gender stereotypes By exploring this complex subject Selling Sex on Screen offers a spectrum of representations of desire and sexuality through the moving image This volume will be of interest not only to students and scholars of film but also researchers in gender studies women's studies criminology sociology film studies adaptation studies and popular culture
