A Womans Kingdom And Other Short Stories:

A Woman's Kingdom and Other Short Stories Anton Chekhov, 2015-12-27 Anton Pavlovich Chekhov was a Russian physician and author who is considered to be among the greatest writers of short stories in history His career as a dramatist produced four classics and his best short stories are held in high esteem by writers and critics Chekhov practised as a medical doctor throughout most of his literary career Medicine is my lawful wife he once said and literature is my mistress This collection of ten of his best short stories include A Transgression A Trifle From Life A Tripping Tongue A Trivial Incident A Troublesome Visitor A Woman s Kingdom A Work Of Art Aborigines About Love After The Theatre *A Woman's Kingdom* Michelle Lamarche Marrese, 2018-09-05 In *A Woman s Kingdom* Michelle Lamarche Marrese explores the development of Russian noblewomen s unusual property rights In contrast to women in Western Europe who could not control their assets during marriage until the second half of the nineteenth century married women in Russia enjoyed the right to alienate and manage their fortunes beginning in 1753 Marrese traces the extension of noblewomen s right to property and places this story in the broader context of the evolution of private property in Russia before the Great Reforms of the 1860s Historians have often dismissed women s property rights as meaningless In the patriarchal society of Imperial Russia a married woman could neither work nor travel without her husband s permission and divorce was all but unattainable Yet through a detailed analysis of women s property rights from the Petrine era through the abolition of serfdom in 1861 Marrese demonstrates the significance of noblewomen s proprietary power She concludes that Russian noblewomen were unique not only for the range of property rights available to them but also for the active exercise of their legal prerogatives A remarkably broad source base provides a solid foundation for Marrese s conclusions These sources comprise more than eight thousand transactions from notarial records documenting a variety of property transfers property disputes brought to the Senate noble family papers and a vast memoir literature *A Woman s Kingdom* stands as a masterful challenge to the existing androcentric view of noble society in Russia before Emancipation *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **The Woman's Kingdom.
