A Simple Look English Edition:

Western Mysticism; Second Edition with Afterthoughts Cuthbert Butler, 2001-09-18 An American Looks at Gandhi James D. Hunt, 2005 In This Far Reaching Series Of Essays The Author Examines The Complex Set Of Influences Which Helped Shape Mohandas K Gandhi Leading To The Transgormation Of An Anglophile Indian Lawyer Into A Mahatma Of Historical Myth *Born in the Blood* Brian Swann, 2011 An anthology of essays on the translation of Native American languages and literatures by top scholars in the field *Perspectives on Literature and Translation* Brian Nelson, Brigid Maher, 2013-10-15 This volume explores the relationship between literature and translation from three perspectives the creative dimensions of the translation process the way texts circulate between languages and the way texts are received in translation by new audiences The distinctiveness of the volume lies in the fact that it considers these fundamental aspects of literary translation together and in terms of their interconnections Contributors examine a wide variety of texts including world classics poetry genre fiction transnational literature and life writing from around the world Both theoretical and empirical issues are covered with some contributors approaching the topic as practitioners of literary translation and others writing from within the academy Looking for Lines Paul Akker, 2025-10-01 Studies of Old Masters are often implicitly based on modern notions which do not necessarily tally with ideas contemporary with their art According to one such tacit assumption a work of art gains its status from the quality of the abstract pictorial composition made up of lines and colours Whether discussing a medieval altarpiece or a fresco by Raphael it is customary to relate its artistic value to the abstract formal language into which the figures or narratives are translated and not to the power of the visual illusion which is conjured up by the work of art Referring to the ideas of art historians critics and philosophers including Hogarth Caylus Goethe Schnaase Burckhardt W Ifflin and Shearman this theoretically revolutionary study questions the historical validity of this view by tracking down its origins back to the eighteenth century and then following its evolution up to the present day Paying particular attention to the historiography of Mannerism it scrutinises the influence that this view has had on aesthetic judgments over the past three centuries A perfect companion for anyone engaged with aesthetics this book offers a valuable contribution to the discussion surrounding the principles and values in art history **Western Mysticism** Cuthbert Butler, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company Crafting Your Thesis Johan Alvehus, 2024-07-12 At the beginning of writing a thesis many questions arise for example How do I know that I have formulated a relevant research problem Have I chosen the right empirical method Are interviews or observations appropriate How should I structure my text to get my point across in the best way What exactly is a theory How can the quality of my work be assessed Crafting Your Thesis is a broad and accessible handbook in qualitative methods that gives you clear and concise answers to these questions and many more The book can be used both in introductory university courses where you as a student encounter questions of method for perhaps the first time and right up to Master s thesis level where it gives a

quick overview of different available qualitative methods and highlights questions that must be dealt with when crafting the thesis
