A Sinful Bargain:

The Trainwreck Lark Anderson, 2023-11-29 When Ali Kat Carter America's Sweetheart wakes up in a jail cell with no memory of the night before she thinks things can't possibly get any worse SPOILER ALERT They do Ali Kat Carter here or as they're now calling me Trainwreck Tammy God I hate my birth name The tabloids say I need rehab and to be honest I'd much rather go there than where my publicist is bent on sending me back to my family home in Nebraska I suppose most people would love a little vacation to spend time with family but then again most people haven't been estranged from their parents for their entire adult life But things take a sharp turn for the better when I find out that my girlhood crush tall dark and handsome Garrett Flint is staying at the family farm Garrett has always made my blood race and he could be the only thing capable of getting me through what can only be described as the WORST months of my life except for the fact that once he sampled the goods he turned into an ice cold Grade A nasty jerk face that was obviously in it for one thing only bragging rights for bagging the ultimate Girl Next Door Now I'm stuck with my family that resents me and an ex-lover who loathes me or so I think Maybe there's more to podunk Nebraska and my family than I gave them credit for But there's CERTAINLY not more to that no manners love em and leave em country boy Or is there *Savage in the Sheets* Lark Anderson, Savage in the streets Mechanical between the sheets Or at least that's what I'm being told Now I know why I never make it past date five Jenna Savage here Attorney Reality TV watcher Hopeless romantic Forever alone If only I could deprogram the aggressively bland bedroom habits I've adapted out of my system and become the savage I'm meant to be Of course in order to do that I need help And who better to be my mentor than Weston Singer my best friend and a total stud We laid out the rules determined to maintain our friendship during my training But wouldn't you know it my heart had other plans Now I'm hopelessly in love with a man who has always been a love em and leave em type of guy I should have seen this coming Is it possible he feels the same way Or am I doomed to forever long for a man I can never have **Professional Consult** Lark Anderson, 2023-12-31 Lexi Dash has been many things throughout her life America's Sweetheart Hollywood's Golden Girl Highest Paid Actress Most Bangable Bachelorette But she's never been bad at her job Until now Forced out of her rom-com comfort zone and into a police drama she finds herself out of her element and in deep trouble If she can't make the transition from fun and flirty to grit and steel it won't be just the show that's in jeopardy it'll be her reputation As a last ditch effort to salvage the project her production company sends her to train with surly Police Chief Luke Bastwick who wants nothing to do with the starlet but when a practical joke makes him erroneously arrest Lexi he must agree to take her under his wing or suffer legal consequences She turns his world upside down shining light in the dark recesses of his soul Like magnets they attract and repel until they can deny each other no longer Two weeks That's all they have together because Lexi's iron-clad contract demands she return to the spotlight That is unless she's willing to give up everything to get what she wants **The Billionaire's Funding** Lark Anderson, 2023-12-01 When Sadie Precillo's project is the only one denied funding she never

expected her company's handsome CEO to take a personal interest in it Or that she'd be fired I Sadie Precillo have been dealt a grievous injustice LaviTech Labs is the WORST The handsome CEO Cassius Lavinus INSUFFERABLE Why is that exactly Oh just because of the third two projects submitted for funding mine was the ONLY one to be denied That's right DENIED Heart Pill FUNDED Anxiety Pill FUNDED Vitamin Pill FUNDED Fart Pill FUNDED Yes you read that correctly Female Pleasure Pill DENIED How cruel is that I mean how many boner pills do we have on the market Can I even count them on one hand Well Mr Lavinus I hope you realize what you've gotten yourself into I don't care how handsome and rich you are or how tall your tower is or how much security you have I'm coming for you And you better believe I'm not going to stop until I get that FUNDING

Bargaining with the State Richard A. Epstein, 1995-01-09 Bargaining with the State examines the threats to liberty that arise through the power of government selectively to distribute benefits and favors to its citizens For Richard Epstein the preservation of individual liberty against government contractual power advances not only the short term interest of the individual citizen but also the long term overall social welfare

Hacking His Code Lark Anderson, 2024-02-13 I must confess I did something very naughty And I haven't learned my lesson I was late on tuition In a mountain of debt And morally obligated to grant my mother's dying wish to get my college degree Which is why I was on the seedy underbelly of the internet cruising for a hacking job I had no idea Hunter Davies the elusive tech giant was watching me and when I passed his little impromptu pop quiz he sent armed men to bring me to his estate And let me tell you he is a piece of work He's disgustingly rich with arrogance in spades He should be in jail for what he's done to me But he offered me a job One that could make all my problems disappear And as much as I hate to admit it he's flippin' other worldly levels of gorgeous Now I have one week to solve a 24 year old cold case or else I go home empty handed Just one catch I have to pretend to be his girlfriend in front of his parents who are itching for grandkids I agree to his terms and somehow one thing leads to another and I wake up in his bed This is not how the job was supposed to go I hate men they can't be trusted But the more I learn about Hunter the less my logic makes sense I'm supposed to be solving one of the greatest mysteries of our time not falling in love And as I'm about to find out if I don't figure this all out soon it could cost us everything
