A Strange Feeling Of Deja Vu:

The Deja Vu Experience Alan S. Brown, 2004-07 Most of us have been perplexed by a strange sense of familiarity when doing something for the first time We feel that we have been here before or done this before but know for sure that this is impossible In fact according to numerous surveys about two thirds of us have experienced d j vu at least once and most of us have had multiple experiences There are a number of credible scientific interpretations of d j vu and this book summarizes the broad range of published work from philosophy religion neurology sociology memory perception psychopathology and psychopharmacology This book also includes discussion of cognitive functioning in retrieval and familiarity neuronal transmission and double perception during the d j vu experience

Uncharted Mysteries Pasquale De Marco, 2025-03-22 Prepare to embark on a captivating journey into the realm of the unexplained where mysteries abound and the boundaries of our understanding are constantly challenged This book delves deep into the extraordinary exploring phenomena that have puzzled and fascinated humanity for centuries From the depths of the ocean to the far reaches of the cosmos we uncover tales of ghostly encounters UFO sightings and unexplained occurrences that defy easy explanation We investigate the shadowy corners of our planet searching for answers to the enigma of Bigfoot the Loch Ness Monster and other cryptic creatures that lurk in the darkness We explore the depths of the human mind delving into the realm of psychic abilities premonitions and out of body experiences With each chapter we unravel the threads of ancient legends and modern day mysteries We examine the evidence surrounding haunted places poltergeist activity and spontaneous human combustion We ponder the secrets of ancient civilizations deciphering cryptic symbols and exploring the enigmatic structures that dot our planet Our quest for answers takes us to the frontiers of science where we explore the intersection of the known and the unknown We investigate the scientific method s role in paranormal investigations examining the delicate balance between skepticism and open mindedness We delve into the power of belief exploring how our expectations and preconceptions can shape our experiences As we navigate the labyrinth of the unexplained we encounter controversies and debates that have divided experts and ignited heated discussions We examine theories ranging from hollow Earth and flat Earth to ancient aliens and time travel weighing the evidence and considering the implications of these extraordinary claims Throughout our journey we embrace the wonder and awe that accompany the unexplained We acknowledge that some mysteries may forever remain unsolved but we celebrate the beauty and intrigue of the unknown Join us as we venture into the realm of the extraordinary where the boundaries of our understanding are constantly challenged and the possibilities of the universe remain infinite If you like this book write a review

Before Alandra Adrian Tanase, 2022-12-13 The year is 4010 Alan is a simple Earth citizen enjoying life like anybody else He has a corporate job as a chip programmer and a girlfriend and he lives in an expensive apartment in one of the tall glass towers of New York It was all working perfectly for him until he makes a mistake that will be going to change his life radically This is the prequel introduction of Future Imperfect book one of the

Non Linear Time trilogy Epilepsy and Memory Adam Zeman, Narinder Kapur, Marilyn Jones-Gotman, 2012-06-28 Epilepsy is one of the most common potentially serious disorders of the brain and patients often suffer from memory problems This book comprehensively reviews all aspects of the relationship between this common and potentially serious neurological disorder and memory one of the core functions of the human mind *Concussive Brain Trauma* Rolland S. Parker, 2000-12-27 A wide range study of victims of head injury often reveals disorders that are neglected by less extensive examinations and dispels the idea that there is usually a benign outcome Focusing on a public health problem affecting millions of people of all ages with approximately 1 300 references *Concussive Brain Trauma Neurobehavioral Impairment and Maladaptation* addresses such topics as the recognition of minor traumatic brain injury in the emergency room and clinical practice The book is unique in its coverage of the personality changes family dysfunction and stress that often occur in wake of concussive brain trauma Case examples illustrate persistent and acute alterations of consciousness as well as cognitive mood personality and social effects of head injury in order to guide appropriate treatment In addition the book documents unfamiliar signs not included in the usual list of postconcussive symptoms *Concussive Brain Trauma Neurobehavioral Impairment and Maladaptation* stands alone as an in depth authoritative guide to the condition also described as closed head injury and minor traumatic brain injury *The Future Affects the Past* Tonnerre, 2013-06-04 Music and nature inspire my writings so I traveled extensively during the writing process of this book I began writing this philosophy treatise at the heart of America by the banks of the Missouri River where I used to drown myself in the magnificent music of the wilderness when I went on my evening walks I would stroll solo in the woods and emerge to rest on a bench facing an ocean blue sky and abysmal thoughts would come to me of their own accord like d j vus There I would sit and sup on the cool evening breeze and witness our great golden star fall behind the distant red horizon like a sinking ship and the beatific and tragic sight of that dying day would fill me up with emotions In that solitude where a person hears their own thoughts speak loudest I would give into a deep ocean of contemplation and examine the nature of the world like a tyrant beholding an atlas of the world I would ask myself deep philosophical questions like if a seed growing into a tree and a tree growing into a forest is only a brief moment in the history of time then how much shorter is my life in this world And if earth is only a dust particle floating in the desert of space then how infinitesimal am I in the infinite infinities and diversities of nature Who or what put me in this island called earth Am I just another artifact in the museum of the universe or am I something higher than a flower or a bird or a crystal I would compile thoughts until my thoughts thoughts reach the limit and my mind nearly faints from exhaustion I read nature and wrote at the park until the moon rose and stars arrived to light up the heaven like an army of glowing fireflies Portions of the book were written by the snowy mountain tops of Utah and at the beaches of Lake Michigan whose pure blue water ebbs away and flows towards the windy metropolis of Chicago I then traveled abroad to Africa to collect and recollect my thoughts in the primordial Garden of Eden in South Sudan with its

billions of birds animals and insect s chirping buzzing squealing screaming and singing in the orchestra of life playing in the theatre of Nature I meditated and contemplated about life by the shores of Lake Victoria which reflects the white clouds of Uganda s clear sky in its surface like a gigantic mirror on the ground Then I went on an intellectual mecca to Europe visiting intellectualistic sites like the British Library where Marx wrote the most consequential book of modernity I also went to the British Museum and Oxford University to affirm and confirm the contents of this discourse The book was actually edited in London It is called *The Future Affects The Past* because the subject of d j vu is the object the other subjects of the book revolve around It was premeditated by fate before I was even born that I would script this book Prior to taking my first breath of life before my heart beat for the first time in this world I already wrote this book and it was a matter of time before destiny made it occur into actuality Wisely so I do not call this book my own because I know that infinity is its source just like the infinitely ancient and creative Nature is the source of all arts and inventions Nature had copyright on all things This book is an avalanche of past and present knowledge it s a culmination of precedent human wisdom it s a synthesis of the insights of many books and many minds I am just a instrument used by greater Nature Nature is a tremendous bow that shoots arrows from infinite distance away and infinite time ago and I am only one of Nature s arrows of fire who live to illuminate the dark world of ignorance with philosophical knowledge

On a Blue Star Arthur Woodlands,2022-08-05 *On a Blue Star* is a book of lyrics with some character bigger than life themes surprising tales and mood makers It continues the previous book *Heart of Earth* way of connecting human feelings and natural elements but maybe just with enhanced soul gravity by an extraordinary moon magic and strong heart tiding On a way it also tells a story A mental philosophical journey with well chosen Greek Gods natural forces and love desire and war beginning with chapter themed Moon Maidens and continue with a mind bending mythical plot by chapters Rome Falls Atlantis Soul and Lady EA After that point themes turn closer to everyday human life by still soul surfing and flying and from mood perspective extremely philosophical and intellectual Summer City Sun Ghost Stories and Little Moodies
