A Study In Scarlet English Edition:

A Study in Scarlet (English Edition) Arthur Conan Doyle, 2017-03-01 A Study in Scarlet is a detective mystery novel written by Sir Arthur Conan Doyle which was first published in 1887. It is the first story to feature the character of Sherlock Holmes, who would later become one of the most famous and iconic literary detective characters with long lasting interest and appeal. The book's title derives from a speech given by Holmes to his companion Doctor Watson on the nature of his work in which he describes the story's murder investigation as his study in scarlet. There's the scarlet thread of murder running through the colourless skein of life and our duty is to unravel it and isolate it and expose every inch of it. A Study in Scarlet (New Edition) Arthur Conan Doyle, 2017-11-09 A study in scarlet by Sir Arthur Conan Doyle *A Study in Scarlet* Arthur Conan Doyle, 2023-11-23 The story marks the first appearance of Sherlock Holmes and Dr John Watson, his faithful and chronicler friend, in a thrilling tale that signals the beginning of one of literature's most iconic crime solving partnerships. Set in 19th century London, this case revolves around the mysterious death of a man found under puzzling circumstances with the word RACHE written in blood at the crime scene. As Holmes delves into the investigation, he uses his razor sharp intellect to unravel the clues employing methods and reasoning that are ahead of their time. Doyle's masterful storytelling combined with Holmes' astute deductive skills create an engaging narrative that keeps readers on the edge of their seats. **A Study in Scarlet (English French Edition Illustrated)** Arthur Conan Doyle, 2018-10-15 Holmes reads the telegram requesting consultation in a fresh murder case. He is reluctant to help because credit would go entirely to the officials. Watson urges him to reconsider so Holmes invites him to accompany him as he investigates the crime scene, an abandoned house off the Brixton Road. Holmes observes the pavement and garden leading up to the house before he and Watson meet Inspectors Gregson and Lestrade. The four observe the crime scene. Holmes uses a magnifying lens and tape measure. The male corpse he's told has been identified as Enoch Drebber. Blood has been found in the room but there is no wound on the body. They also learn from documents found on his person that he was in London with his secretary Joseph Stangerson. On one wall written in blood is RACHE. Au n° 3 de Lauriston Gardens près de Londres dans une maison vide un homme est trouvé mort. Assassin. Aucune blessure apparente ne permet de le dire. On a vu des taches de sang qui maculent la pièce. Sur le mur griffonné la honte une inscription Rache Vengeance en allemand. Vingt ans plus tôt en 1860 dans les gorges de la Nevada en Utah Jean Ferrier est exécuté par des mormons sanguinaires chargés de faire respecter la loi du prophète. Sa fille Lucie est séquestrée dans le harem du fils de l'Ancien. Quel lien entre ces deux événements aussi insolites que tragiques. Un fil tanné un fil rouge que seul Sherlock Holmes est capable de dérouler. Une intrigue toute en subtilités où pour la première fois Watson découvre le maître. **A Study in Scarlet** Arthur Conan Doyle, 2018-03-26 Instead of memorizing vocabulary words, work your way through an actual well-written novel. Even novices can follow along as each individual English paragraph is paired with the corresponding French paragraph. It won't be an easy project but you'll learn a lot. **A Study in Scarlet** Arthur Conan Doyle, 2024-02-16 A
