A Taste Of Honey English Edition:

A Taste of Honey Habeeb Akande, 2015-08-12 A Taste of Honey provides a scholarly exposition on the prominent place that sexuality and erotology enjoyed in traditional Islam. The book is divided into two parts: part one presents a critical examination of sexual ethics and part two consists of a concise treatise on the art of seduction and lovemaking. The central aim of this book argues that Islam is a sexually enlightened religion which teaches that sensuality should not be devoid of spirituality. The book also argues that the loss of sacred sensuality afflicting modern society can be reclaimed by a revival of the classical erotological tradition. Drawing upon the Qur'an and traditional erotological literature, the book follows the style and composition of classical Eastern and Afro-Arab love texts such as the Kama Sutra and Jallad Dunay's erotic treatises. A Taste of Honey is a thought-provoking work on a highly sensitive yet extremely important subject.

A Taste of Honey GCSE Student Edition Shelagh Delaney, 2016-06-02 Written specifically for GCSE students by academics in the field, the Methuen Drama GCSE Student Editions provide in-depth explanatory material alongside the play texts frequently studied at Key Stage 4. Whether for use in the classroom or independent study, these editions offer a fully comprehensive and lightly glossed play text with accompanying notes specifically directed towards readers of this age which unravel essential topics and challenge all students to delve further into literary analysis. Shelagh Delaney's modern classic A Taste of Honey is a comic and poignant exploration of class, feminism, race, sexual orientation and optimism in post-war Britain. Fifty years after its hit premiere, working-class Lancashire lass Jo's story continues to engage new generations of audiences. In addition to some on-page explanatory notes and the play text itself, this edition contains sub-headed analyses of themes, characters, context and dramatic devices, as well as background information on the playwright. The Methuen Drama GCSE Student Editions never lose sight of their readership and offer students the confidence to engage with the material, explore their own interpretations and improve their understanding of the works.

The Cambridge Guide to Women's Writing in English Lorna Sage, 1999-09-30 This Guide aims to consolidate and epitomise the re-reading of women's writing that has gone on in the last twenty-five years. This is an opportunity for stock-taking a timely project when so much writing has been rediscovered, reclaimed and republished. There are entries on writers, on individual texts and on general terms, genres and movements, all printed in a single alphabetical sequence. The earliest written documents in medieval English, the visionary writings of Julian of Norwich and Margery Kempe, are covered in an historical and geographical sweep that takes us up to the present day. The book reflects the spread of literacy, the history of colonisation and the development of post-colonial cultures, using and changing the English language. The entries are written by contributors from all the countries covered. The result is a work of reference with a unique feeling for the vitality, wealth and diversity of women's writing.
