Arthur M. Schlesinger Jr. and the Ideological History of American Liberalism Stephen P. Depoe, 2016-11-15
Examines the origin elements and evolving significance of the tides in the discourse of Arthur M Schlesinger Jr Arthur M Schlesinger Jr is a historian and political advocate whose ideas and activities have significantly influenced the shape and direction of American liberalism during the past fifty years A central feature of Schlesinger s ideological perspective is his belief that American history has been marked by alternating periods of conservative and liberal dominance which he has termed the tides of national politics Throughout his career Schlesinger has used the tides of national politics to defend the legitimacy and superiority of active liberal government and leadership The study investigates how the tides concept has functioned in both Schlesinger s historical scholarship and his partisan political discourse Depoe also explores the ways in which the tides concept has shaped and channeled Schlesinger s political thought over time leading him toward certain definitions of situations and away from others Finally Depoe offers Schlesinger s life and work as a case study of the highs and lows of postwar American liberalism By tracing Schlesinger s responses to Eisenhower era conservatism Kennedy s New Frontier and the problems of Vietnam and violence during the 1960s and the gradual delegitimation of liberalism from the 1970s to the present this book offers a road map that can guide the reader toward a better understanding of the past present and future of liberalism in America

The #1 New York Times Bestseller John Bear, 1992 Lists hundreds of books that have made the famous list and offers facts about the publishing industry authors and the list itself

Reflections of a Cold Warrior Richard M. Bissell, Jr., 1996-05-29 Richard M Bissell Jr the most important CIA spymaster in history singlehandedly led America s intelligence service from the age of Mata Hari into the space age Under his guidance the U 2 spy plane the SR 71 Blackbird and the Corona spy satellite were developed and the agency rose to the pinnacle of its power Bissell was also however the architect of the infamous Bay of Pigs operation that failed to overthrow Castro in 1961 and led to the decline of the CIA In this compelling memoir Bissell gives us an insider s view of the personalities policies and historical forces surrounding these and other covert operations and the lessons learned during those times of conflict Bissell begins by describing his early years as a member of America s unofficial aristocracy Born in a house that his father bought from Samuel Clemens he was educated at Groton and Yale and befriended by Charles and Anne Morrow Lindbergh among others Bissell recounts how he became acting head of the Economic Cooperation Administration the agency in charge of the Marshall Plan after World War II and helped to create the European Payments Union Bissell was brought into the CIA in 1954 where he initiated a revolution in intelligence gathering techniques He reveals the details of these developments as well as of the unique CIA Lockheed partnership he pioneered his participation in the CIA sponsored coup to overthrow Arbenz in Guatemala and his involvement in crises in Laos and the Congo Bissell s memoir sheds light not only on pivotal points of American foreign policy but also on America s evolution from isolationist to interventionist superpower

We All

Lost the Cold War Richard Ned Lebow, Janice Gross Stein, 1995-07-03 Drawing on recently declassified documents and extensive interviews with Soviet and American policy makers among them several important figures speaking for public record for the first time Ned Lebow and Janice Stein cast new light on the effect of nuclear threats in two of the tensest moments of the Cold War the Cuban Missile Crisis of 1962 and the confrontations arising out of the Arab Israeli war of 1973 They conclude that the strategy of deterrence prolonged rather than ended the conflict between the superpowers

Distorted Mirrors Donald E. Davis, Eugene P. Trani, 2009 Drawing on memoirs archives and interviews Davis and Trani trace American prejudice toward Russia and China by focusing on the views of influential writers and politicians over the course of the twentieth century showing where American images originated and how they evolved Provided by publisher

Mrs. Kennedy Barbara Leaming, 2002-10-02 A portrait of Jacqueline Kennedy during the thousand days of JFK's administration sheds new light on her life as both a woman and as First Lady revealing struggles for herself her marriage and her husband's presidency *Hellfire Nation* James A. Morone, 2003-01-01 Annotation Although the US is proud of being a secular state religion lies at the heart of American politics This volume looks at how the country came to have the soul of a church the consequences the moral crusades against slavery alcohol witchcraft discrimination that time again have prevailed upon the nation

Late Imperial Romance John A. McClure, 1994-07-17 As the US imperium lurches towards its economic twilight comparisons with the fate of the British Empire have become increasingly commonplace **Promises Kept** Irving Bernstein, 1993-04-01 A counter revisionist examination of JFK and his administration Promises Kept presents a policy history of major domestic legislative efforts between 1961 and 1963 Bernstein focuses on administrative and congressional progress under Kennedy in civil rights education taxes unemployment Medicare and the Peace Corps He persuasively argues that Kennedy was indeed a successful president showing that many of JFK's campaign promises were well on their way to enactment by the time of his assassination even after two years of dealings with a balky and often hostile Congress and the difficulty of working in a political system changing from conservative to liberal

The Foundations of Modern Arms Control Robert M. Blum, 2024-04-30 This book is an international history of the foundation of modern arms control highlighting the fact that the instrument is varied resilient successful and enduring The narrative begins after the Napoleonic wars when newly arisen peace movements focused on arbitration as a path to ending the war system It moves on to the international community's embrace of total and complete disarmament and then to its acceptance of more limited measures by 1968 including the agreements that remain in force today The book connects the past to the present of multiple negotiations successful and failed and underlines how the peace movement increasingly

influenced the national policy of the major Western powers especially the United States It also highlights the increasing diversification of arms control players including women and people of color as well as the countries they represented Based on original research in multinational records and the latest scholarship the book illustrates the reasons multilateral arms control remains a key instrument of international relations The chapters are organized both chronologically and thematically with the result that they cover different amounts of time in order to encompass a given issue and to capture the development of particular threads The main narrative evolves into a decadeslong quest for a global treaty on general and complete disarmament which otherwise paces the book and shapes its chapters This book will be of much interest to students of arms control global governance peace studies and International Relations

In Struggle Clayborne Carson, 1995-04-03 With its radical ideology and effective tactics the Student Nonviolent Coordinating Committee SNCC was the cutting edge of the civil rights movement during the 1960s This sympathetic yet evenhanded book records for the first time the complete story of SNCC's evolution of its successes and its difficulties in the ongoing struggle to end white oppression At its birth SNCC was composed of black college students who shared an ideology of moral radicalism This ideology with its emphasis on nonviolence challenged Southern segregation SNCC students were the earliest civil rights fighters of the Second Reconstruction They conducted sit ins at lunch counters spearheaded the freedom rides and organized voter registration which shook white complacency and awakened black political consciousness In the process Clayborne Carson shows SNCC changed from a group that endorsed white middle class values to one that questioned the basic assumptions of liberal ideology and raised the fist for black power Indeed SNCC's radical and penetrating analysis of the American power structure reached beyond the black community to help spark wider social protests of the 1960s such as the anti Vietnam War movement Carson's history of SNCC goes behind the scene to determine why the group's ideological evolution was accompanied by bitter power struggles within the organization Using interviews transcripts of meetings unpublished position papers and recently released FBI documents he reveals how a radical group is subject to enormous often divisive pressures as it fights the difficult battle for social change

Strong Presidents Philip Abbott, 1996 The author utilizes strong and weak poet presidents to examine their leadership and how these presidents wrote and read belatedly so they might be surveyed and judged in the future for their actions

The Washington Connection and Third World Fascism Noam Chomsky, Edward S. Herman, 1979 Analyzes U S policy in Latin America Asia and Africa media and the role of the media in misreporting these policies

Walter Reuther Nelson Lichtenstein, 1997 Walter Reuther the most imaginative and powerful trade union leader of the past half century confronted the same problems facing millions of working Americans today how to use the spectacular productivity of our economy to sustain and improve the standard of living and security of ordinary Americans As Nelson Lichtenstein observes Reuther the president of the United Automobile Workers from 1946 to 1970 may not have had all the answers but at least he was asking

the right questions *The Most Dangerous Man in Detroit* vividly recounts Reuther's remarkable ascent his days as a skilled worker at Henry Ford's great River Rouge complex his two year odyssey in the Soviet Union's infant auto industry in the early 1930s and his immersion in the violent labor upheavals of the late 1930s that gave rise to the CIO Under Reuther the autoworkers standard of living doubled Publisher's description [Rmulo Betancourt and the Transformation of Venezuela](#) Robert Jackson Alexander, *Who Speaks for the President?* W. Dale Nelson, 2000-05-01 When President Warren G Harding fell ill in 1923 Steve Early a reporter for the Associated Press became skeptical of the innocuous bulletins being issued by the White House He remained at the hotel where the president was staying and when Florence Harding called out for a doctor Early scrambled down a fire escape to file the story His Associated Press report was six minutes ahead of others with the news of Harding's death A decade later when Franklin D Roosevelt entered the White House Steve Early became the first person to hold the title of presidential press secretary Mike McCurry Jody Powell and Marlin Fitzwater have all become familiar names But how has the role of the White House press secretary changed over the years We see these spokespeople at White House briefings hear them quoted by reporters but what do they really do Whom do they really serve the president or the press In his latest book former Associated Press journalist and White House reporter W Dale Nelson provides an insightful look at what has gone on behind the scenes of the White House press podium from the 1890s to the Clinton administration Nelson draws on interviews with former press secretaries press office records and his own experience as a White House reporter to trace the history of the position from its early informal days to its present seminal role in the Clinton administration

A Thousand Days By Arthur Schlesinger Houghton Mifflin January 9 1966: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. A Thousand Days By Arthur Schlesinger Houghton Mifflin January 9 1966 : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. A Thousand Days By Arthur Schlesinger Houghton Mifflin January 9 1966 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
