A Woman Doing Life Summary:

A Woman Doing Life Erin George, 2014-12 Revised edition of the author's *A woman doing life* published in 2010

Women Doing Life Lora Bex Lempert, 2016-02-19 In *Women Doing Life* Lora Bex Lempert examines the carceral experiences of women serving life sentences presenting a typology of the ways that life sentenced women grow and self actualize resist prison definitions reflect on and own their criminal acts and ultimately create meaningful lives behind prison walls Looking beyond the explosive headlines that often characterize these women as monsters Lempert offers rare insight into this vulnerable little studied population Her gendered analysis considers the ways that women do crime differently than men and how they have qualitatively different experiences of imprisonment than their male counterparts Provided by publisher

Women's Oral History Susan Hodge Armitage, Patricia Hart, Karen Weathermon, 2002-01-01 *Women's Oral History* The *Frontiers Reader* is an essential guide to the practice of gathering and interpreting women's oral accounts of their lives During the 1970s when women's history was just developing the lack of historical information about women's lives was glaring Oral history quickly emerged as a vital and necessary tool for documenting the lives and experiences of women who rarely recorded it for themselves much less for posterity Standard models of practicing oral history however were inadequate to the job of organizing and interpreting women's lives and new models that addressed the distinctiveness of the lives of women in all of their diversity were needed As one of the earliest journals devoted to feminist scholarship in the United States *Frontiers A Journal of Women Studies* was in the vanguard of the emerging field of women's oral history when it published its first landmark issue on the subject in 1977 Three subsequent issues exploring the evolving field has secured *Frontiers* reputation at the forefront of women's oral history *Women's Oral History* includes nineteen essays each addressing the particularity of women's lives and experience The collection provides both how to interview guides and examples of current research in sections covering basic methodology and rationale the myriad uses of women's oral history and discoveries and insights gained from oral history applications The essays raise thought provoking questions glean original insights about the lives of women and the practice of history and call for women to write and record their own histories

The Unknown History of Jewish Women Through the Ages Rachel Elior, 2023-05-22 *The Unknown History of Jewish Women On Learning and Illiteracy On Slavery and Liberty* is a comprehensive study on the history of Jewish women which discusses their absence from the Jewish Hebrew library of the People of the Book and interprets their social condition in relation to their imposed ignorance and exclusion from public literacy The book begins with a chapter on communal education for Jewish boys which was compulsory and free of charge for the first ten years in all traditional Jewish communities The discussion continues with the striking absence of any communal Jewish education for girls until the late nineteenth and early twentieth century and the implications of this fact for twentieth century immigration to Israel 1949 1959 The following chapters discuss the social cultural and legal contexts of this reality of female illiteracy in the Jewish

community a community that placed a supreme value on male education The discussion focuses on the patriarchal order and the postulations rules norms sanctions and mythologies that in antiquity and the Middle Ages laid the religious foundations of this discriminatory reality *The History and Life Stories of European Women in the Arts* Milena Gammaitoni,2022-03-30 Offering historical identity fortified by the presence of women belonging to the various areas of creative and intellectual life this book allows readers to understand greater contexts of their identity The history of female artists is an indicator of how social identity was erased from the historiography which asserted itself in nineteenth century Europe Analysis of the biographical pathways traced here reveals how women in the Middle Ages and beyond have been active protagonists of the arts received reviews as well as had an authoritative role as the esteemed and attentive witnesses of the society around them Reconstruction of social relationships intellectual and creative production as well as of the life stories of some of Europe s most important female artists foregrounds this omission and highlights their extraordinary nature The different stories contained in this book narrate the lives and works of Hildegard von Bingen Francesca Caccini Mary Wollstonecraft George Sand Lou Andreas Salom and Elke Mascha Blankenburg By reinforcing the awareness of social and historical origins the informed reader is better equipped to tackle their futures and build up their personalities Feminism as Life's Work Mary K. Trigg,2014-06-23 With suffrage secured in 1920 feminists faced the challenge of how to keep their momentum going As the center of the movement shrank a small self appointed vanguard of modern women carried the cause forward in life and work *Feminism as Life's Work* profiles four of these women the author Inez Haynes Irwin the historian Mary Ritter Beard the activist Doris Stevens and Lorine Pruette a psychologist Their life stories told here in full for the first time embody the changes of the first four decades of the twentieth century and complicate what we know of the period Through these women s intertwined stories Mary Trigg traces the changing nature of the women s movement across turbulent decades rent by world war revolution global depression and the rise of fascism Criticizing the standard division of feminist activism as a series of historical waves Trigg exposes how Irwin Beard Stevens and Pruette helped push the U S feminist movement to victory and continued to propel it forward from the 1920s to the 1960s decades not included in the wave model At a time widely viewed as the doldrums of feminism the women in this book were in fact taking the cause to new sites the National Women s Party sexuality and relations with men marriage and work and financial independence In their utopian efforts to reshape work sexual relations and marriage modern feminists ran headlong into the harsh realities of male power the sexual double standard the demands of motherhood and gendered social structures In *Feminism as Life's Work* Irwin Beard Stevens and Pruette emerge as the heirs of the suffrage movement guardians of a long feminist tradition and catalysts of the belief in equality and difference Theirs is a story of courage application and perseverance a story that revisits the bleak and lonely years of the U S women s movement and emerges with a fresh perspective of the history of this pivotal era The Oxford Encyclopedia of Women in World History Bonnie G. Smith,2008 The *Encyclopedia of Women in World History* captures the

experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

Warflower: A True Story of Family, Service, and Life in Alaska Robert Stark,2022-06-01 Bob Stark had no plans after high school With his brother locked away in the only maximum security prison in Alaska his mom working overtime at the local grocery store and his bad habits getting worse he saw no hope for the future Until the Army recruiter came to school offering an escape Bob envisioned romantic adventures in Italy life saving missions in Africa and friendships built on tough times he wanted to be an honorable dependable and brave man all of the things he was not He signed the papers and five days after graduation was sent out After basic training and airborne school Bob is stationed in Italy where his eighteen year old dreams of travel and romance are cut short when his unit is ordered to parachute into Northern Iraq He spends the next year in Iraq learning more than he could have ever imagined Four and a half years later after two deployments and a long list of life lessons Bob leaves Fort Campbell Kentucky on a road trip west with the hopes of falling in love with the country he fought for Along the way he reunites with family and friends from his happy go lucky mother in Arizona who talks to her incarcerated husband on the phone whenever she is not at work to his foul mouthed grandmother in Idaho who wears one glove and drinks beer with ice all day long until finally reuniting with his high school sweetheart in Las Vegas Bob begins a new chapter of self discovery and acceptance that just may allow him to be the man he always wanted to be *Warflower* is a coming of age story about family traditions brotherhood and one boy s journey into manhood without a father to teach him

Clio's Lives Doug Munro, John G. Reid, 2017-10-09 Including contributions from leading scholars in the field from both Australia and North America this collection explores diverse approaches to writing the lives of historians and ways of assessing the importance of doing so Beginning with the writing of autobiographies by historians the volume then turns to biographical studies both of historians whose writings were in some sense nation defining and those who may be regarded as having had a major influence on defining the discipline of history The final section explores elements of collective biography linking these to the formation of historical networks A concluding essay by Barbara Caine offers a critical appraisal of the study of historians biographies and autobiographies to date and maps out likely new directions for future work Clio s Lives is a very good scholarly collection that advances the study of autobiography and biography within the writing of history itself taking theoretical questions in significant new directions The

contributors are well known and highly respected in the history profession and write with an insight and intellectual energy that will ensure the book has considerable impact They examine cutting edge issues about the writing of history at the personal level through autobiography and biography in diverse and innovative ways Together the writers have provided reflective chapters that will be widely read for their impressive theoretical advances as well as being inspirational for new entrants to the disciplinary area Patricia Grimshaw University of Melbourne *Clio's Lives* brings together a most interesting and varied cast of contributors Its chapters contain sophisticated and well penned ruminations on the uses of biography and autobiography among historians These are clearly connected with the general themes of the volume This delightfully mixed bag makes very good reading and as well will serve as a substantial contribution to the study of the biography and autobiography Eric Richards Flinders University
