My Friend the Mercenary James Brabazon,2011-03-01 Intensely vivid story of war and the peculiar breed of warriors who fight in 21st century Africa and tribute to an extraordinary comrade at arms Kirkus Reviews In February 2002 British journalist James Brabazon set out to travel with guerrilla forces into Liberia to show the world what was happening in that war torn country To protect him he hired Nick du Toit a former South African Defence Force soldier who had fought in conflicts across Africa for over three decades What follows is an incredible behind the scenes account of the Liberian rebels known as the LURD as they attempt to seize control of the country from government troops led by President Charles Taylor In this gripping narrative James Brabazon paints a brilliant portrait of the chaos that tore West Africa apart nations run by warlords and kleptocrats rebels fighting to displace them ordinary people caught in the crossfire and everywhere adventurers and mercenaries operating in war s dark shadows It is a brutally honest book about what it takes to be a journalist survivor and friend in this morally corrosive crucible A classic story of intrigue greed and violence in one of the most dysfunctional countries in the world It is a gripping story that I couldn t read fast enough Sebastian Junger New York Times bestselling author **The Black Christ of Esquipulas** Douglass Sullivan-González,2016 On the eastern border of Guatemala and Honduras pilgrims and travelers flock to the Black Christ of Esquipulas a large statue carved from wood depicting Christ on the cross The Catholic shrine built in the late sixteenth century has become the focal point of admiration and adoration from New Mexico to Panama Beyond being a site of popular devotion however the Black Christ of Esquipulas was also the scene of important debates about citizenship and identity in the Guatemalan nation throughout the nineteenth and twentieth centuries In *The Black Christ of Esquipulas* Douglass Sullivan Gonz lez explores the multifaceted appeal of this famous shrine its mysterious changes in color over the centuries and its deeper significance in the spiritual and political lives of Guatemalans Reconstructed from letters buried within the restricted Catholic Church archive in Guatemala City the debates surrounding the shrine reflect the shifting categories of race and ethnicity throughout the course of the country s political trajectory This biography of the Black Christ of Esquipulas serves as an alternative history of Guatemala and sheds light on some of the most salient themes in Guatemala s social and political history state formation interethnic dynamics and church state tensions Sullivan Gonz lez s study provides a holistic understanding of the relevance of faith and ritual to the

social and political history of this influential region Bismarck and the Creation of the Second Reich Friedrich Darmstaedter, 2017-09-29 Chancellor Otto Bismarck's greatness lay in what he created the German Reich of 1871. This Reich was the product of his genius and in it his genius took complete shape. In less than a decade German chaos was brought to an end and in its place a homogeneous state began to arise. The structure of this state left no room for opposing political forces but rather made ready a roof under which these forces might rally, support each other and gain strength. Bismarck and the Creation of the Second Reich begins as a biography but continues as a description of his political life and the ideas that led to the birth of an authoritarian political culture. The community from which Bismarck formed his conception of the state was first the family and clan, then the landlord caste and finally the people. These communities found their unifying force in the Kaiser who as their patriarchal head enjoyed divine honors as ruler by the grace of God. The existence of the state was justified as the framework within which these communities existed and it had thus a biological as well as a religious content. This idea of the state as the supreme moral command of religion was too powerful a driving force to be dropped in favor of the rational view of the state as a potential war machine. Bismarck reconciled the two concepts by use of the concept of a people in arms, an idea which had originated in German history as a means of defense but which was changed into one of aggression. In order to become a means of aggression it was changed into a moral precept commanded by religion and indeed into the supreme precept. Through the unfolding of the political life of Bismarck we find the roots of the Nazi Third Reich, the inability of the people to educate themselves about politics enough to effect any change or satisfy their own political needs. In this loss of control the authoritarian regime grew stronger. Though Bismarck's work led to the creation and implementation of the Second Reich, it is in the Third Reich that we find the devilish distortion that was its fruit. This volume is an essential tool for understanding twentieth century German history *The Spectator*, 1846

Immerse yourself in the artistry of words with is expressive creation, **A Spanish Affair** . This ebook, presented in a PDF format (*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Download now to let the beauty of literature and artistry envelop your mind in a unique and expressive way.
