A Thin Line Between Love and Lust C E Long,2017-11-22 What happens when we open ourselves to the idea that love does not need a sole proprietor that our hearts aren't bound by standards that tell us who and how to love What happens if we were to live and love outside of the box This is the story of a few daring individuals who will choose to test the boundaries of that love and explore its possibilities Prepare yourself because this is not your average romance novel This is a polyamorous love story that breaks all the rules **A Thin Line Between Love and Lust** Cedric Harris,2023-12-05

Evangelist Alicia F. Rooks,2015-02-05 I was inspired to write the book titled Marriage Its Not PhysicalIts Spiritual Holy about 12 years ago After experiencing two unsuccessful marriages and still having the desire to marry again one day when the Lord allow me to connect with the right person for real this time then I will be relieved I pray that this time I will take my own advice do my homework and realize that it is not a physical thing it is Spiritual I am no marriage counselor and definitely do not claim to have all of the answers however experience is I would say a great teacher You see some people they never learn I pray that this time I could reminisce on what I have gone through realizing that it was not just for me but on purpose and for others You see when God has a plan and has a willing vessel that will answer the call then He will allow His will work to be done through whomever is willing The key word is willing because a lot of people are not willing Instead of complaining I have learned to say ok Lord what lesson do You want me to learn from this Who would you like me to minister to through my experience of going about marriage that You have designed the wrong way As others read this book I know that it would be a life changing awakening I believe that hearts marriages relationships would be mended and healed I know that this is not just another book to pick up and read at your own leisure but if I must say so myself it is a book that once you pick it up you will not want to put it down until it has ministered to you completely **Love Vs lust** Rubleena Behera & Mayank Samantray, Love Vs Lust is compiled by Rubleena Behera and Mayank Samantray which is one of the achieving anthology books ever drafted it objectifies on the vision of different opinions classifications and perspectives from different people about both Love and Lust with little spicy comparisons It defines the purity of bonds either with love or lust depending on variable times like
