Romantic Climates Anne Collett, Olivia Murphy, 2019-06-29 This book seeks to uncover how today's ideas about climate and catastrophe have been formed by the thinking of Romantic poets novelists and scientists and how these same ideas might once more be harnessed to assist us in the new climate challenges facing us in the present The global climate disaster following Mt Tambora's eruption in 1815 the Year without a Summer is a starting point from which to reconsider both how the Romantics responded to the changing climates of their day and to think about how these climatic events shaped the development of Romanticism itself As the contributions to this volume demonstrate climate is an inescapable aspect of Romantic writing and thinking Ideologies and experiences of climate inform everything from scientific writing to lyric poetry and novels The Diodati circle that assembled in Geneva in 1816 Lord Byron Percy and Mary Shelley John Polidori and John Cam Hobhouse and the gothic novelist MG Monk Lewis is synonymous with the literature of that dreary uncanny season Essays in this collection also consider the work of Jane Austen John Keats and William Wordsworth along with less well known figures such as the scientist Luke Howard and later responses to Romantic climates by John Ruskin and Virginia Woolf

That Is Not Your Mind! Robert Rosenbaum, 2022-08-09 Viewed through the lens of psychology and neuroscience a classic Zen sutra becomes a springboard for exploring sensory experiences and realizing freedom What does it mean to be liberated through one's sensory life In *That Is Not Your Mind* Zen teacher Robert Rosenbaum explores this question by taking readers on a step by step journey through the Surangama Sutra This Chinese Mahayana sutra is known for its emphasis on practicing with the senses sight sound taste smell touch and the Buddhist sixth sense of mind or cognition as well as its teachings on the necessity of basic ethical commitments like not killing or stealing to support the development of one's meditation practice and insight Rosenbaum interweaves passages from the sutra with

contemporary insights from neuroscience and psychology illustrating the usefulness of the text with anecdotes from his life and his forty years of teaching experience In addition to learning about a sutra that played an important role in the creation of Chinese Chan and Japanese Zen Buddhism readers are guided through meditations and other practices derived from the sutra s teachings such as hearing meditations awareness of sound awareness of silence turning hearing inwards and centering meditations basic centering as well as centering on compassion One of the most difficult aspects of Buddhist practice is wrapping our minds around how every moment is both a deceptive seeming and also a true gateway to awakening writes Rosenbaum Nothing is hidden but there is an infinite field we cannot see LIFE ,1947-04-07 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *The Home Missionary* ,1887 No 3 of each volume contains the annual report and minutes of the annual meeting **Poetry in Pictures** Linda Rose Bevan,2008 Ordinary Day. Remarkable God. Rhonda Kane,2020-11-10 This is not a typical devotional book There is no ten step program inside to better yourself It is not a deep theological study It is not an end to all trials or an answer to all problems This book is a collection of stories prayers and reflections They are honest vulnerable sometimes dramatic sometimes humorous and sometimes sad but they are real They point to Him No matter what adventures we travel through our Maker and Creator is always with us He isn t looking for extraordinary people He is not looking for the exceptional and the elite He is the exceptional and the elite He is just wanting us to walk alongside Him
