Understanding Pakistani Culture Naeem Harry, 2012-11-08 There are millions of Pakistanis living throughout the world and from time to time they will need medical spiritual and psychological care This can only be successfully given if their culture is understood My thought is that I begin my book *Understanding Pakistani Culture* with an explanation that I am from Pakistan and I now live in the United States I am a spiritual counselor who visits patients in hospitals to help them and sometimes I encounter patients born in Pakistan Because their customs are often so different from US customs those wishing to help do not understand their needs My thought has been to write a book about Pakistani customs to bring forward the understanding

Take Hyperianism to the Morgue: Book II The Illuminist Army, 2023-02-18

When a cult gives out red flags everywhere then all decent moral people have an absolute duty a categorical imperative to blow the whistle and protect others People should have blown the whistle on influencer Andrew Tate long ago and now it's even more essential to blow the whistle on people such as Morgue the leader of the modern cult of Hyperianism and all the rest of the cult predators who are preying on naive people those easy to manipulate and fleece This Hyperian cult is the epitome of cancel culture It actively tries to cancel anyone who says anything against it Absolutely no one is allowed to get away with criticizing it even though the cult leader hilariously claims that he will answer any question well except any question he doesn't like and that's nearly all of them The cult's attack dogs will be out for sure regarding this book We know what's coming We've been through it all before This is a book featuring the direct victims of this dangerous Hyperian cult

and its predatory leader Morgue Three people were criminally swatted by the leadership of this cult And that s just the tip of the iceberg Come inside and find out all about what the leader of this cult and his chief accomplices get up to Hear those affected in their own words uncensored This book will be of enormous value to anyone including academic researchers dealing with a modern online cult There are many cults out there just like Hyperianism with dark triad leaders just like Morgue Society needs to do something about it The influencer industry resembles the Wild West It s completely unregulated and is doing extraordinary damage to some of the feeblest most impressionable and suggestible people in society They are sitting ducks for online predators looking for a fast buck and adulation Buffy a former member of this cult added this alarming comment about Morgue He has ways of punishing people they verbally punish you until you feel at your lowest He gets the other admin to do it he never does it Watch out
