A Royal Love:

Royal Romance Lynn Pickenett, 1970 **Search for a Wife** Barbara Cartland, 2012-09-14 The Marquis of Milverton strides into White's Club in a high state of irritation as he is being pestered by his family to take a suitable girl for his wife. He is not surprised to find that his aristocratic friends are suffering the same pressure and they gather together to complain about their plight. They are all having affairs de coeur with seductive married ladies and the Marquis himself is very much involved with a glamorous Countess. However, they all recognise that they will have to marry eventually to carry on their ancestral title and family legacy. Listening to their grumbling is the Duke of Sandelford and he challenges them to go out into the countryside in disguise and find a beautiful girl to be their dream wife. If after three months they failed, they were to admit failure and accept their family's suggestions. He also offers a one thousand pounds prize to those who succeed. He left them feeling it was at least a sporting chance and the Marquis was the first to accept the Duke's challenge. Disguising himself as John Milton, he sets out alone on his horse and has a number of unlikely adventures with people he would normally have never encountered. He helps some of them to happiness, then becomes bored and decides to return home but will give one more village a last chance. How the Marquis becomes involved with a ruthless gang of horse thieves and then unexpectedly finds all he is seeking and can claim the Duke's prize is told in this exciting and different tale by BARBARA CARTLAND.

The Duke Is Deceived Barbara Cartland, 2013-02-14 Princess Zelda of Brienz in Switzerland is being harassed by her father to marry a King or Prince of one of the small countries of Europe. Zelda is very beautiful and determined that when she does marry, it will be for love and only love, so to avoid a forced marriage, she runs away from her home to her cousin Prince Johann II of Liechtenstein, who has always been very fond of her. **Royal Love Stories** Gill Paul, 2015-01-12 Historically, many royal marriages have represented the unions of dynasties with true engagements of the heart, notable for their rarity. Yet royal couples could fall in love and this book is full of surprises from the undying love that the last Tsar of Russia, Nicholas II, felt for his Tsarina to the unlikely love that flourished between Louis XVI and Marie Antoinette. Amongst them too are less happy loves of Crown Prince Rudolph for his 17 year old lover Countess Mary Vetsera or in the 1940s of the Prince of Sweden refused consent to marry the girl he loved, she only became his princess over 30 years later. Bringing the reader right up to modern times and touching, absorbing and tragic by turns, these stories bring the glamour and the contradictions of royalty vividly to life. **A Road to Romance** Barbara Cartland, 2014-06-13 The Marquis of Whisinford and his friend Lord Alfred Middleton meet at White's Club and tell each other how bored they are with the London Season and the same parties with the same people night after night. They commiserate with each other for finding life so repetitive where nothing new ever happens. Listening to them, the old Duke of Dunstead tells them that he has a solution to their problem and so he bets one of his well-bred horses against one of theirs that if they go out disguised as ordinary men, they will undoubtedly find an adventure of some kind on the open road. Because it is a bet and betting at White's is traditional, the Marquis agrees to ride

North as far as Northumberland disguised as an ordinary man while Lord Alfred is to go South to Land's End The Marquis sets off alone his only possessions being what he can carry on his horse Samson using the name of Neil Barlow But he has not gone very far when a very pretty girl joins him on the road in a state of agitation and asks him if he will be kind enough to allow her to ride beside him She explains that she is running away from her stepfather who is forcing her into marriage with a man she loathes and detests She tells the Marquis that her name is Velina but does not say anymore and he tells her only his Christian name and they ride on until they reach what appears to be a quiet inn After dinner when the Marquis goes out to see if their horses are happy he overhears three men talking and learns that they have been sent by Velina's stepfather to kidnap her and take her forcibly back to her home The Marquis alerts Velina and they slip away at four o'clock in the morning before anyone else is awake and it is then that the Marquis suggests that they should stay off the main road and travel North by the twisting lanes of England How they encounter even more dramas than they have already How they rescue a small boy and his dog from a cruel drunkard How eventually Velina saves the Marquis's horse and him from a highwayman and how they find even more on a road to romance is all told in this exciting story by BARBARA CARTLAND □□3 shi qingyao,2024-09-24 I can't help it Although he won the second place in The Son of Tomorrow his popularity is ridiculously high
