In Contempt Book Report

Book Written by Chris Darden

This report is based upon the book *In Contempt*, written by Christopher A. Darden with Jess Walter. This book is published by Regan Books an imprint of Harper Collins Publishers and is copyrighted 1996 by Christopher A. Darden.

Introduction of the Author

The book *In Contempt* was written by Christopher A. Darden. Chris Darden is famous for being one of the prosecuting attorneys in the court case *The People vs. Simpson*. He has worked hard his whole life to reach the status he has now achieved. He proved to America that even though he wasn't a high-priced private lawyer that he could present a well-thought out and planned case under the tremendous pressure he and the other prosecutors had to endure during the Simpson case.

Summary

I found this book to be very well thought out and well written. Most people would assume that this book was written with the intentions of making a quick-buck off the misfortune of Nicole Brown Simpson and Ronald Goldman. I, however, do not believe this to be true. The way that the author speaks of the victims in the book and the way he spoke of them before and after the trial shows that he really cared about the lives of these people that he didn't even know. He even went as far as to say in the book that this was the first case that affected him personally and emotionally.
