The Music of Charlie Chaplin Jim Lochner, 2018-10-16 Charlie Chaplin the actor is universally synonymous with his beloved Tramp character Chaplin the director is considered one of the great auteurs and innovators of cinema history Less well known is Chaplin the composer whose instrumental theme for Modern Times 1936 later became the popular standard Smile a Billboard hit for Nat King Cole in 1954 Chaplin was prolific yet could not read or write music It took a rotating cast of talented musicians to translate his unorthodox humming off key singing and amateur piano and violin

playing into the singular orchestral vision he heard in his head Drawing on numerous transcriptions from 60 years of original scores this comprehensive study reveals the untold story of Chaplin the composer and the string of famous and not so famous musicians he employed giving fresh insight into his films and shedding new light on the man behind the icon **Lorenz Hart** Frederick Nolan,1995-11-02 Lorenz Hart singlehandedly changed the craft of lyric writing When Larry Hart first met Dick Rodgers in 1919 the commercial song lyric consisted of tired cliches and cloying Victorian sentimentality Hart changed all that always avoiding the obvious aiming for the unexpected phrase that would twang the nerve or touch the heart Endowed with both a buoyant wit and a tender almost raw sincerity Hart brought a poetic complexity to his art capturing the everyday way people talk and weaving it into his lyrics Songs had never been written like that before and afterwards it seemed impossible that songs would ever be written any other way Lorenz Hart A Poet on Broadway presents the public triumphs of a true genius of the American musical theatre and the personal tragedies of a man his friend the singer Mabel Mercer described as the saddest man I ever knew Author Frederick Nolan began researching this definitive biography in 1968 tracking down and interviewing Hart s friends and collaborators one by one including a remarkable conversation with Richard Rodgers himself A veritable who s who of Broadway s golden age including Joshua Logan Gene Kelly George Abbott and many more recall their uncensored and often hilarious sometimes poignant memories of the cigar chomping wordsmith who composed some of the best lyrics ever concocted for the Broadway stage but who remained forever lost and lonely in the crowds of hangers on he attracted A portrait of Hart emerges as a Renaissance and endearing bon vivant conflicted by his homosexuality and ultimately torn apart by alcoholism Nolan skillfully pulls together the chaotic details of Hart s remarkable life beginning with his bohemian upbringing in turn of the century Harlem Here are his first ventures into show business and the 24 year old Hart s first meeting with the 16 year old Richard Rodgers Neither of us mentioned it Rodgers later recalled but we evidently knew we would work together and I left Hart s house having acquired in one afternoon a career a best friend and a source of permanent irritation Nolan captures it all the team s early setbacks the spectacular hour long standing ovation for their hit song Manhattan the Hollywood years which inspired Hart to utter the undying line Just because you re paranoid doesn t mean the bastards aren t out to get you and the unforgettable string of hit shows that included On Your Toes The Boys from Syracuse and their masterpiece Pal Joey But while success made Rodgers more confident more musically daring and more disciplined for Hart the rounds of parties wisecracks and most of all drinking began to take more and more of a toll on his work When Hart s unreliability forced Rodgers to reluctantly seek out another lyricist Oscar Hammerstein II and their collaboration resulted in the unprecedented artistic and commercial success of Oklahoma Hart never truly recovered Meticulously researched and rich with anecdotes that capture the excitement the hilarity the dizzying heights and the crushing lows of a life on Broadway Lorenz Hart is the story of an American original **From Radio to the Big Screen** Hal Erickson,2014-06-11 There was a time when American popular entertainment referred only to radio and motion pictures

With the coming of talking pictures Hollywood cashed in on the success of big time network radio by bringing several of the public's favorite broadcast personalities and programs to the screen. The results, though occasionally successful, often proved conclusively that some things are better heard than seen. Concentrating primarily on radio's Golden Age 1926-1962, this lively history discusses the cinematic efforts of airwave stars Rudy Vallee, Amos 'n' Andy, Fred Allen, Joe Penner, Fibber McGee & Molly, Edgar Bergen, Lum Abner, and many more. Also analyzed are the movie versions of such radio series as *The Shadow*, *Dr. Christian*, and *The Life of Riley*. In addition, two recent films starring contemporary radio headliners Howard Stern and Garrison Keillor are given their due.

American Musicals in Context: From the American Revolution to the 21st Century gives students a fresh look at history-based musicals, helping readers to understand the American story through one of the country's most celebrated art forms: the musical. With the hit musical *Hamilton* (2015) captivating audiences and reshaping the way early U.S. history is taught and written about, this book offers insight into an array of musicals that explore U.S. history. The work provides a synopsis, overview of critical and audience reception, and historical context and analysis for each of 20 musicals selected for the unique and illuminating way they present the American story on the stage. Specifically, this volume explores musicals that have centered their themes, characters, and plots on some aspect of America's complex and ever-changing history. Each, in its own way, helps us rediscover pivotal national crises, key political decisions, defining moral choices, unspeakable and unresolved injustices, important and untold stories, defeats, suffered victories won in the face of monumental adversity, and the sacrifices borne publicly and privately in the process of creating the American narrative, one story at a time. Students will come away from the volume armed with the critical thinking skills necessary to discern fact from fiction in U.S. history.
