A
STORY
LIKE
THE
WIND

A glowing, ethereal map of Africa is composed of musical notes and sound waves, set against a dark teal background. The map is illuminated with a soft, golden light, and the musical notes are scattered across its surface. At the bottom of the image, a small, dark boat is visible on the water, with a faint, glowing light emanating from it. The overall atmosphere is dreamlike and evocative.

A small boat.

A small hope.

A dream of freedom.

Victor M. Corman

A Story Like The Wind:

A Story Like the Wind Gill Lewis, 2017-05-04 A beautifully illustrated story of freedom music and seeking refuge A small group of refugees is crowded on to a boat on the sea They share their stories as the boat travels towards the dream of safety and freedom One boy Rami has brought his violin and his story of how the violin was invented and of a stallion that could run like the wind weaves through the other stories bringing them all together into a celebration of hope and of the power of music and story A very special beautifully illustrated fable for all who strive to understand and to stand together with those around them Gill Lewis is the multi award winning and best selling author of novels such as *Sky Hawk* *White Dolphin* and *Scarlet Ibis* and *A Story Like the Wind* is her lyrical and unforgettable response to the refugee crisis which will linger on in the mind long after reading Beautiful charcoal illustrations from Jo Weaver give this book a very special feel and make it a perfect gift

A Story Like the Wind Laurens Van Der Post, 2011-10-31 This is a story of an almost vanished Africa a world of myth and magic in which the indigenous peoples of the continent lived for uncountable centuries before the Europeans came to shatter it The main character is a boy who has a relationship with this Africa not unlike Kipling's *Kim* with the antique world of India Francois Joubert whose Huguenot ancestors settled in Africa three hundred years ago lives as a solitary child on his father's farm Hunter's Drift Here in the far interior of Africa he experiences the wonder and mystery of an ageless natural primitive life his perception of it heightened by the influence of three people in particular his Bushman nurse the head herdsman of the local Matabele clan his father's chosen partners in the pioneering of Hunter's Drift and a hunter of legendary fame now the chief ranger of a vast game reserve nearby Francois meeting with an untamed Bushman Xhabbo whose intuitive teaching nourishes his spirit his strange pilgrimage to the distant krall of a powerful witch doctor his dramatic encounter and relationship with the daughter of a retired colonial governor all are examples of African point and European counterpoint in a highly original theme moving to a strangely presaged and omened climax
