A Summer Place:

A Summer Place Ariel Tachna, 2007-07-16 a touching romance that is genuine and timeless The supporting players are rich and brought even more warmth and appeal to the story I was guessing who the villain is different guesses each time throughout and I wasn't disappointed with the final reveal A delightfully sensual romance 5 of 5 Cherries Chamomile Whipped Cream Reviews Overseer Nicolas Wells had been coming to Mount Desert Island for ten summers to help build cottages for the rich and powerful Despite his secrets he had grown comfortable in the peaceful little island town getting to know its inhabitants and even to consider some of them friends The eleventh year however he arrived to startling news the island's peace had been shattered by a murder At the request of the sheriff Shawn Parnell Nicolas agreed to hire Philip Hall the local blacksmith and the probable next victim in the hope that the secure construction site would be safer than his house in the village He never expected the decision to lead to danger Or to love *The Summer Place* Pamela Heaton, 2013-04-02 Can they both be right Summer Delaney has turned over a new leaf Now she's ready to step up and run her parents Kentucky camp the place she loves most in the world Too bad her parents aren't convinced of her dedication In fact they've hired someone else someone with very conflicting ideas about how the camp should operate A former marine Rick Warren's approach is all about following orders From the outset it's clear that they don't see eye to eye But there's an unexpected effect from all that clashing of wills The heat of debate turns to steamy attraction one they simply can't resist Still with the camp's future hanging in the balance Summer must prove she's changed and can work with Rick to create a place kids will love and a place where their love might have a chance **Kokomo** Thomas D. Hamilton, Barbara Hamilton, 2004 As we move out of the past and into the present our landscape is forever altered by the passing of time The face of Kokomo The City of Firsts has changed over the years Once an image of small town Americana Kokomo has grown expanding its industrial reach enticing new residents and continuing to be the first in a number of fields Kokomo Indiana Then and Now takes the reader back to a simpler time in Kokomo history Using historic images paired with contemporary photos authors Thomas D and Barbara Hamilton have created a charming view of the area's history and evolution *Faith and Devotion* Laszlo Geder, 2007-12-12 After the occupation of Hungary in 1945 Stalin crushed the democratically elected Hungarian Parliament and the political parties A Communist dictatorship was established The Secret Police directed by the Soviet KGB persecuted arrested the members of the opposition and closed the escape route to the West with the Iron Curtain The lives of many families were destroyed by the Communist system This is a story of a family where the father dies in 1946 and the mother marries an American Hungarian who visits Hungary in 1948 The marriage is approved by the Communist authorities but the wife and her two teenage children from her first marriage are not allowed to leave Hungary to the U S They try to escape through the Iron Curtain They are caught and imprisoned After 9 years of separation the wife and her daughter are allowed to leave Hungary but her son a young physician can not follow He never gives up plans to join his family in America This

Poplar Forest Travis C. McDonald,2023-05-08 Poplar Forest is one of two personal residences that Thomas Jefferson designed for himself the other being Monticello Jefferson's wife Martha Wayles Skelton Jefferson inherited the land originally a 6 861 acre parcel at her father's death in 1773 but Jefferson did not begin construction on the house until 1806 and at his death in 1826 he was still working on his little getaway Despite its audacious design it was the first documented octagonal residence in America and the fact that it is one of the very few extant Jeffersonian structures Poplar Forest is not nearly so well known today as its sibling seventy miles to the northeast Undoubtedly this is due in large part to its more remote location in Bedford County Additionally the house remained in private hands until 1984 Travis McDonald situates the site in its rightful position as a historically important Virginia house and he documents its story as central to Jefferson's life and approach to architecture including details of the enslaved community at his western retreat This new informed account will appeal to architectural historians and visitors to the villa retreat as well as to those interested in Jefferson's work and legacy
