The Routledge Dictionary of English Language Studies Michael Pearce, 2012-09-10 Routledge Dictionary of English Language Studies is an indispensable guide to the richness and variety of the English language for both students and the general reader

A New Bibliography of Writings on Varieties of English, 1984-1992/3 Beat Glauser, 1993-01-01 The continuing expansion of research in dialectology sociolinguistics and English as a world language has made the field increasingly difficult to survey This bibliography is intended to provide a comprehensive overview of the relevant publications

of the past few years Like its predecessor it will prove an indispensable reference book The collection is in four parts dealing respectively with general studies Britain and Ireland the United States and Canada and the rest of the world There is a joint index in which the 2800 entries are classified according to specific areas ethnic groups and major linguistic categories thus making the bibliography easy to use with the greatest profit The present bibliography complements the one compiled by W Viereck E W Schneider and M G rlach which covered the period from 1965 to 1983 and was published in the same series in 1984

Borrowings in Informal American English Małgorzata Kowalczyk, 2023-09-14 What do bimbo glitch savvy and shtick all have in common They are all expressions used in informal American English that have been taken from other languages This pioneering book provides a comprehensive description of borrowings in informal American English based on a large database of citations from thousands of contemporary sources including the press film and TV It presents the United States as a linguistic melting pot with words from a diverse range of languages now frequently appearing in the lexicon It examines these borrowings from various perspectives including discussions of terms donors types changes functions and themes It also features an alphabetical glossary of 1 200 representative expressions defined and illustrated by 5 500 usage examples providing an insightful and practical resource for readers Combining scholarship with readability this book is a fascinating storehouse of information for students and researchers in linguistics as well as anyone interested in lexical variation in contemporary English
